City Council
Citation Authority For New Parking Division
Employees In The Public Works Department
March 3, 1998

BACKGROUND INFORMATION:

Throughout the City, various employee classifications have citation authority to enforce specific sections of the City Code. Within the Department of Public Works, Animal Control Officers, Parking Enforcement Officers, and Waste Reduction Coordinators have citation authority.

Chapter 30, Article III of the Sacramento City Code gives authority to the City Council to grant citation authority to individual employees. After a job classification is designated by the City Manager as needing citation authority, a resolution granting individual employees citation authority is routinely forwarded to the City Council for approval. It is necessary to update the list of names as personnel changes occur.

FINANCIAL CONSIDERATIONS:

None.

ENVIRONMENTAL CONSIDERATIONS:

The Neighborhoods, Planning and Development Services Department, Office of Environmental Affairs has reviewed the project and has determined that this project is exempt from the California Environmental Quality Act (CEQA) under Section 15061(b)(1) of the CEQA Guidelines.

POLICY CONSIDERATIONS:

The resolution format reflected in this report meets the requirements of Chapter 30, Article III of the Sacramento City Code relating to citation authority for City employees.
