Dear Mr. Kwong,

In response to a requested Department of Utilities inquiry, it has been determined that your property at 2140 Sutterville Rd. (Parcel #018 0014 007 0000) is connected to a water service located at 2136 Sutterville Rd (Parcel # 018 0014 006 0000). According to property records, these two lots are on separate legal parcels.

Sacramento City Code 13.04.060 states "each parcel shall have its own water tap and meter"; Sacramento City Code 13.04.190 states "it shall be unlawful to allow any person to attach any pipe or hose connection to the plumbing on his or her parcel for the purpose of providing water service to any other lot or parcel." Therefore, a violation of City Code exists.

In order to bring your property into compliance, you must do the following:

1. Secure a plumbing permit at 1231 I Street, Room 200. The phone number is 264-5261.
2. Run a new domestic water line from your business to the edge of your property at the alley.
3. Have the new water line inspected and approved by the City Plumbing Inspector.
4. Purchase a new one inch (1") water tap and meter from the Department of Utilities Customer Service office at 1395 35th Avenue. The telephone number is 264-5371.
5. Disconnect from the water line serving 2136 Sutterville Rd.

CITY OF SACRAMENTO
DEPARTMENT
OF UTILITIES

Making a Difference in Your Neighborhood

Normally, the cost of a one inch water tap and meter is \$1,900.00. In a good faith effort to assist you, the City of Sacramento will provide you with a one inch tap and meter for a fee in the amount of \$1,015.00. Additionally, the City of Sacramento is waiving the water development fee of \$2,038.00.

The property of 2140 Sutterville Rd is also connected to the sewer service at 2136 Sutterville Rd. The Sewer Department Field Supervisors, John Fick and Tom Ostby, will be assisting you and the property owner at 2136 Sutterville Rd in separating your services. The City of Sacramento will waive the sewer tap fee and the City development fee. When you take out your plumbing permit, let Permit Services know you are renewing your sewer line not purchasing a new tap. Otherwise, you will incur a County Regional Sanitation Fee.

Please comply with City Code by October 8, 2001. If you have any questions, please contact Sherrie Gentry at 264-5371. Office hours are Monday through Friday from 8:00 AM to 4:30 PM.

Sincerely,

Karen Waring
Utilities Customer Service Supervisor
