CITY ENGINEER
J. F. VAROZZA
ASSISTANT CITY ENGINEER

City Council
Sacramento, California

June 26, 1980

Honorable Members in Session:

SUBJECT: Report on Bids for FIREHOUSE ALLEY - J TO L STREETS

SUMMARY:

The subject project, as part of the City's Capital Improvement Program, has been advertised for bids. Bids have been received and the City Engineer recommends that this report be filed pending recommendation of bid award at a later date.

BACKGROUND:

On June 4, 1980, the City Council approved plans and specifications for FIREHOUSE ALLEY - J TO L STREETS and bids were received and opened by the City Clerk in the Council Chambers on June 24, 1980. The bids received are as follows:

| | |
|-------------------------|--------------|
| C.S.V. Sprinklers, Inc. | \$149,358.90 |
| Teichert Construction | 172,671.41 |

The engineer's estimate was \$126,275.00. Since the bid is 18.28% above the engineer's estimate, an additional analysis of the project and bids is necessary before a valid recommendation can be made.

RECOMMENDATION:

The City Engineer recommends that this report be filed and recommendation of bid award be made at a later date.

Respectfully submitted,

Recommendation Approved:

Walter J. Slipe
