Honorable Members in Session:

**SUBJECT:** Approval of Supplement No. 22 to Local Agency-State Master Agreement, Agreement No. 03-5002

SUMMARY:

This supplement provides the necessary Federal funds for the Hazard Elimination Projects currently under design.

BACKGROUND:

The attached program supplement No. 22 of the Local Agency-State Agreement No. 03-5002 is required so that the necessary Federal matching funds can be released. Previously two of the three projects, 9th Street and W Street and Florin from Amherst to South Land Park, were approved by the Budget and Finance Committee on June 23, 1980 and by the City Council on July 8, 1980.

Concurrent action is being requested for the third location, C Street and 12th Street, which Caltrans has approved for inclusion in the H.E.S. program. The approval of the Budget and Finance Committee is being sought on October 7, 1980 concurrently with the presentation of this item to the City Council.

FINANCIAL:

City matching funding for these projects in the amount of \$120,000 is available in cost center 2419 from the 1979/80 and 1980/81 Capital Improvement Programs, items A-15 and A-16. The participation is 90% Federal funds and 10% City funds. The total project cost is estimated at \$115,000 with the City portion equaling \$11,500.

RECOMMENDATION:

The staff recommends that the City Council approve Supplement No. 22 to the Local Agency-State Master Agreement, Agreement No. 03-5002 by passage of the attached resolution.
