**Honorable Mayor and
Members of the City Council**

Title: Ordinance Adoption: Donations of Unclaimed Property

Location/Council District: Citywide

Recommendation: Adopt the **Ordinance** amending sections 3.84.020 and 3.84.030 of the Sacramento City Code.

Contact: Jim Maccoun, Captain, (916) 808-0417

Presenters: N/A

Department: Police

Division: Office of Technical Services

Organization No: 2155

Description/Analysis

Issue: Currently, section 3.84.030 of the Sacramento City Code allows the Chief of Police to donate only bicycles and toys to qualifying organizations for the benefit of needy children residing in the city. Section 3.80.030F of the City Code requires that any other donation of surplus items to charitable organizations be approved by council resolution.

The amended ordinance would allow the Chief of Police to donate unclaimed or surplus property with a value of less than \$500 to non-profit youth organizations. The receiving non-profit organization must be authorized under its articles of incorporation to participate in a program or activity designed to prevent juvenile delinquency.

Policy Considerations: An amendment to the existing City Ordinance is necessary in order to comply with new state codes and city requirements. In addition to changing the restrictions regarding the type of donations allowed, the amended ordinance would also identify the correct civil code numbers related to lost and unclaimed property. A non-substantive language change would also be made to the last paragraph.

Environmental Considerations: This activity is not subject to the California Environmental Quality Act (CEQA) because it does not constitute a "project" as defined in section 15378 of the CEQA Guidelines, and is otherwise exempt pursuant to Section 15061(b)(3) (no significant effect on the environment) of the CEQA Guidelines.

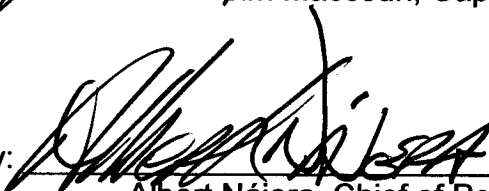

Commission/Committee Action: On October 16, 2007, the Law & Legislation Committee unanimously voted to approve and forward the ordinance to the full City Council. City Council reviewed the ordinance and passed it for publication on November 20, 2007.

Rationale for Recommendation: Currently, some unclaimed/surplus items are disposed of in waste sites because they have little, if any, auction value. Proceeds from items that are sold at auction are returned for City use. A better and more efficient use of these items would be to donate them to youth programs.

Financial Considerations: Historically, revenue from public auction of City surplus items generated from the Police Department is approximately \$2,000 to \$3,000 per month. Any loss of revenue from these items as a result of the proposed amendment would be minimal.

Emerging Small Business Development (ESBD): No goods or services are being purchased as a result of the proposed ordinance.

Respectfully Submitted by: 
Jim Maccoun, Captain

Albert Najera, Chief of Police
