Jerry Vorpahl jerry@powerinn.org 5310 Power Inn Rd. District 6 Sacto CA	The Power Inn Alliance commends the City, particularly Councilman McCarty and the Economic Development and Community Development Depts. for considering the needs of many businesses that were negatively impacted by the rezoning of industrial areas. Several group and individual meetings were held with property owners, the Councilman and dept. heads; the end result being a rezoned plan that accommodates the needs of the businesses and the 2030 General Plan. We urge passage of the Rezone Plan.				Support 11/30/2010

Peter Anderson peter@wilson trophy.com 1724 Fianza Ave. District 3 Sacramento CA	The Ben Ali Community Assoc. appreciates the effort of our Councilman Steve Cohn to help our community to retain current zoning. We don't feel that a change to "Employment Center Low Rise" best fit the businesses in our community. Any attempt implement the land use designation to change our zoning in the future will be met with the same relentless determination. FYI - 1401 Van Ness St. is a 5 Story Building and does not conform to the suggested land use designation.				Oppose 11/29/2010
