SUBJECT: Application for SB 325 Funds

SUMMARY

The Traffic Engineering division has prepared the Fiscal Year 1980-81 Annual Transportation Claim for \$95,537 to be used to fund the Sacramento River Bikeway and the Sacramento Northern Railroad Bikeway.

BACKGROUND INFORMATION

The Transportation Development Act of 1971 provides that two percent of a City's or County's SB 325 apportionment may be made available for facilities that provide for the exclusive use of bicyclists and pedestrians if such use is approved by the Transportation Planning Agency.

The Sacramento Regional Area Planning Commission is the transportation planning agency for this area. To utilize these funds for Fiscal Year 1980-81, the attached claim for \$95,537 should be submitted to the Sacramento Regional Area Planning Commission.

Funding is proposed for the Sacramento River Bikeway and the Sacramento Northern Railroad Bikeway. The former project entails the construction of a Class I bikeway from Discovery Park to Front Street along the Sacramento River. The latter project entails continued construction of a Class I route from the Central City to Rio Linda.

FINANCIAL DATA

The claim for \$95,537 will provide \$50,000 towards the Sacramento River Bikeway and \$45,537 for the Sacramento Northern Railroad Bikeway.

RECOMMENDATION

It is recommended that the attached Resolution be adopted.

Respectfully submitted,
