Additional Information        The applicant proposes to merge the common property lines between two parcels to build a new garage. The house currently extends over the property line; the merger will legalize an existing situation. An accessory structure cannot be constructed on a lot by itself within the R-1 zone. The merger will locate the house and garage on the same parcel. Zoning Ordinance and Building Code do not permit structures to cross property lines .

Parcel 30 already exists as a flag-shaped lot. The merger will not create a new flag lot and will improve the existing lot configuration
