BILL BRYAN
SUPERVISOR, 4TH DISTRICT
CHAIRMAN

December 19, 1983

To: Members, Sacramento Metropolitan Cable Television Commission
From: Bill Bryan, Chairman
Subject: CANCELLATION OF THE DECEMBER 22, 1983 MEETING

On December 19, 1983, staff contacted Shiela Mahony of Cablevision to determine if all of the necessary documentation for acceptance of the franchise will be filed by the December 22nd deadline. They were informed by Ms. Mahony that all the documents were in the process of being finalized and they will be filed no later than the 22nd. There is some possibility of escrow closing on the 21st.

Given this assurance and the fact that the Commission could act on the 5th of January to select another cable company if Cablevision fails to properly file all documents with the Clerk of the Commission, I am hereby cancelling the December 22nd meeting.

I have instructed staff to notify each of you by memo regarding the status of the filing on December 23, 1983. For your information, the Ordinance provides sufficient flexibility to the Commission to take appropriate action in the event Cablevision fails to file correctly or on time. However, they have given staff every assurance that they will perform on schedule.

With that information out of the way, let me wish all of you and the staff a very Merry Christmas and a Happy New Year!

Sincerely,

Bill Bryan
