FOR COUNCIL MEETING OF: January 28, 1997

SUMMARY:

This report recommends that the City Council pass for publication the attached ordinance amending Section 25.01.019 of Title 25 of the City Code relating to the use of skateboards, in-line skates, coasters and similar devices.

Complaints from the city's business community and its elderly residents have prompted a thorough review of the current ordinance and have found it to be inadequate to protect the private and public property from damage and to protect pedestrians from the inappropriate uses of the above referenced devices.

The Mission of the Sacramento Police Department is to work in partnership with the Community to protect life and property, solve neighborhood problems, and enhance the quality of life in our City.
