1-Description/Analysis

2-Agreement

Description/Analysis

Issue Detail: The Department of Public Works (DPW), Fleet Management Division, has a customer need to purchase utility service bodies for ongoing operations.

Policy Considerations: The recommendations in this report are in accordance with City Code Chapter 3.56 and the Sacramento City Council Rules of Procedure, Chapter 7, Section E.2.d, which requires additional posting time for labor agreements and agreements greater than \$1 million.

Economic Impacts: None

Environmental Considerations: California Environmental Quality Act (CEQA): No environmental review is necessary because the recommendations in this report involve the purchase of utility service bodies and are not considered to be a project in accordance with Section 15378(b)(2) of the California Environmental Quality Act guidelines.

Sustainability: Not Applicable

Commission/Committee Action: None

Rationale for Recommendation: On June 27, 2017, the DPW, Fleet Management Division, in accordance with City Code Chapter 3.56, issued Invitation for Bid No. B18153311001 for utility service bodies and four bids were received. Knapheide Truck Equipment Company was deemed the lowest responsive and responsible bidder. A summary of the bid results is provided below.

	Diamond Truck Body	Enoven Truck Body	Knapheide Truck Equip	Altec Industries
Utility Service Bodies	\$ 203,500.00	\$ 243,301.00	\$ 291,440.00	\$ 504,136.84
5% LBE Preference	\$ -	\$ -	\$ -	\$ -
1% City Limit Preference	\$ -	\$ -	\$ -	\$ -
Prompt Payment Discount	\$ -	\$ -	\$ -	\$ -
8.25% Sales Tax	\$ 16,417.50	\$ 20,072.33	\$ 24,043.80	\$ 41,591.29
Freight	\$ 4,500.00	\$ -	\$ -	\$ -
Total Bid Evaluation	\$ 219,917.50	\$ 263,373.33	\$ 315,483.80	\$ 545,728.13

Note: The lowest responsive and responsible bid amount represents the total for the quantities selected for bid evaluation purposes only. The recommended contract amount of \$1,977,415 more closely reflects the actual amount anticipated to be expended over the potential contract period. Diamond Truck Body and Enoven Truck body were deemed non-responsive because the vendor's specifications did not meet the minimum specifications as required by Fleet Management.

Financial Considerations: Sufficient funding exists in the DPW FY2017/18 operating budget (Fleet Fund, Fund 6501) to purchase utility service bodies through June 30, 2018. Purchases made after June 30, 2018 are subject to funding availability in the adopted budget of the applicable fiscal year. Fleet Management staff reviewed prior expenditures and considered future needs to determine the overall contract amount.

The total contract of \$1,977,415 consists of five years of utility service bodies at \$1,577,419 and includes the option to purchase \$400,000 of additional items such as lift gates, work lights, e-truck, and tow hitches.

Local Business Enterprise (LBE): Knapheide Truck Equipment Company is not an LBE. The minimum LBE participation requirement is waived for the procurement of supplies totaling greater than \$100,000 because of the limited number of local suppliers and subcontracting is generally not practical or financially beneficial to the City.

3.) TIME FOR DELIVERY: Time is of the essence in the delivery of services and/or items procured through this Contract. Contractor shall notify the City department if unable to make delivery on or before the Due Date. Periods of performance may be extended if, in the sole opinion of the City, the cause of delay justifies an extension.

4.) MISCELLANEOUS CHARGES: No additional charges shall be allowed unless specified in this Contract, including but not limited to: charges for transportation, fuel surcharges, containers, and packing.

5.) HOLD HARMLESS: The Contractor shall defend, indemnify, and hold the City of Sacramento, its officers, agents, and employees, harmless from and against any and all claims, actions, costs, proceedings, damages, and other liabilities, including attorney fees, caused by defect(s) in the item(s) purchased hereunder, or resulting from the Contractor's or the City's use of any copyrighted, or non-copyrighted composition, process, patented or non-patented invention, articles or appliances furnished or used under this order, and agrees to defend, at Contractor's expense, any and all actions brought against the City of Sacramento or themselves because of unauthorized use of such articles.

On out-of-state purchases, the Contractor shall list their Use Tax Permit Number issued by the California State Board of Equalization which authorizes the Contractor to charge and collect California Sales Tax. The Purchase Order ("PO") will include sales tax, if applicable to the purchase, regardless of whether an out-of-state collects California State sales tax or not. The City shall pay Use Tax directly to the Board of Equalization if the out-of-state Contractor is not required to collect California Sales Tax.

Also, when the content of a SDS is revised, the Contractor is required to provide a revised SDS to each City location receiving the material.

11.) CONTRACTOR COUNTEROFFERS AND DIFFERENT TERMS AND CONDITIONS: The City's subsequent performance shall not be

construed as either acceptance of additional and/or different Terms and Conditions or a counteroffer by the Contractor, nor shall the City's subsequent performance be viewed as acceptance of any provision of the Uniform Commercial Code, as adopted by any State, that is contrary to the Terms and Conditions contained herein. All materials and/or services supplied by the Contractor shall conform to the applicable requirements of the Sacramento City Charter, Sacramento City Code, and all applicable State and Federal laws, as well as conforming to the requirements contained herein. Risk of loss will be on the Contractor until the delivery and acceptance, and after any rejections, unless the loss results solely from the negligence of the City. Notwithstanding the requirements for any City inspection and test contained in specifications applicable to this Contract, except where specialized inspections or tests are specified for performance solely by the City, the Contractor shall perform or have performed the inspections or tests required to substantiate that the supplies and services provided under the Contract conform to the drawings, specifications, and other Contract requirements, including, if applicable, the technical requirements for the manufacturer's part number(s) specified herein. The cost of storing rejected material and the cost for shipping rejected material back to the origin point shall be borne by the Contractor.

Prices paid by the City shall be considered the prevailing market price at the time such purchase is made.

15.) PAYMENT TERMS: Payment terms are Net 30 days unless otherwise indicated and accepted by the City. All cash discounts shall be taken and computed from the date of delivery or completion and acceptance of the material, or from the date of receipt of the invoice, whichever is latest.

16.) INVOICING: Invoice shall be submitted to the "Bill To:" address specified in the PO. The invoice shall contain the following information: PO number, unique invoice number, description of supplies or services, item numbers, sizes, quantities, unit prices, and extended totals. Bill of lading number and weight of the shipment will be shown for shipments on Government Bills of Lading. Unless otherwise specified, payment will be made on partial deliveries accepted by the City when the City determines, in its sole discretion, that the amount due on such partial deliveries so warrants. Requests for payment status should be addressed to the City department as indicated in the "Bill To:" address.

17.) COMMERCIAL WARRANTY: The Contractor agrees that the supplies and/or services furnished under this Contract shall be covered by the most favorable commercial warranties the Contractor gives to any customer for such supplies and/or services and that the rights and remedies provided herein are in addition to and do not limit any rights afforded to the City at law or equity or by any other clause of this Contract.

18.) SEVERABILITY: If any portion of this Contract or the application thereof to any person or circumstance shall be held invalid or unenforceable, the remainder of the Contract shall not be affected thereby and shall be enforced to the greatest extent permitted by the law.

19.) BINDING EFFECT / ASSIGNMENT OF CLAIMS: This Contract shall be binding on the heirs, executors, administrators, successors, and assigns of the parties. Claims for monies due or to become due under this Contract shall be assigned only with prior written consent of the City Manager or his/her designated representative.

20.) GOVERNING LAW: This Contract shall be governed, construed and enforced in accordance with the laws of the State of California. Venue of any litigation arising out of or connected with this Contract shall lie exclusively in the state trial court or Federal District Court located in Sacramento County in the State of California, and the parties consent to jurisdiction over the persons and over the subject matter of any such litigation in such courts, and consent to service of process issued by such courts.

III.) General Contract Conditions

1. Independent Contractor.

- A. It is understood and agreed that CONTRACTOR (including CONTRACTOR's employees) is an independent contractor and that no relationship of employer-employee exists between the parties hereto for any purpose whatsoever. Neither CONTRACTOR nor CONTRACTOR's assigned personnel shall be entitled to any benefits payable to employees of CITY. CITY is not required to make any deductions or withholdings from the compensation payable to CONTRACTOR under the provisions of this Agreement, and CONTRACTOR shall be issued a Form 1099 for its services hereunder. As an independent contractor, CONTRACTOR hereby agrees to indemnify and hold CITY harmless from any and all claims that may be made against CITY based upon any contention by any of CONTRACTOR's employees or by any third party, including but not limited to any state or federal agency, that an employer-employee relationship or a substitute therefor exists for any purpose whatsoever by reason of this Agreement or by reason of the nature and/or performance of any Services under this Agreement. (As used in this Exhibit D, the term "Services" shall include both Services and Additional Services as such terms are defined elsewhere in this Agreement.)
- B. It is further understood and agreed by the parties hereto that CONTRACTOR, in the performance of its obligations herein, is subject to the control and direction of CITY as to the designation of tasks to be performed and the results to be accomplished under this Agreement, but not as to the means, methods, or sequence used by CONTRACTOR for accomplishing such results. To the extent that CONTRACTOR obtains permission to, and does, use CITY facilities, space, equipment or support services in the performance of this Agreement, this use shall be at the CONTRACTOR's sole discretion based on the CONTRACTOR's determination that such use will promote CONTRACTOR's efficiency and effectiveness. Except as may be specifically provided elsewhere in this Agreement, the CITY does not require that CONTRACTOR use CITY facilities, equipment or support services or work in CITY locations in the performance of this Agreement.
- C. If, in the performance of this Agreement, any third persons are employed by CONTRACTOR, such persons shall be entirely and exclusively under the direction, supervision, and control of CONTRACTOR. Except as may be specifically provided elsewhere in this Agreement, all terms of employment, including hours, wages, working conditions, discipline, hiring, and discharging, or any other terms of employment or requirements of law, shall be determined by CONTRACTOR. It is further understood and agreed that CONTRACTOR shall issue W-2 or 1099 Forms for income and employment tax purposes, for all of CONTRACTOR's assigned personnel and subcontractors.
- D. The provisions of this Section 1 shall survive any expiration or termination of this Agreement. Nothing in this Agreement shall be construed to create an exclusive relationship between CITY and CONTRACTOR. CONTRACTOR may represent, perform services for, or be employed by such additional persons or companies as CONTRACTOR sees fit provided that CONTRACTOR does not violate the provisions of Section 5, below.

2. **Licenses; Permits, Etc.** CONTRACTOR represents and warrants that CONTRACTOR has all licenses, permits, City Business Operations Tax Certificate, qualifications, and approvals of whatsoever nature that are legally required for CONTRACTOR to practice its profession or provide any services under the Agreement. CONTRACTOR represents and warrants that CONTRACTOR shall, at its sole cost and expense, keep in effect or obtain at all times during the term of this Agreement any licenses, permits, and approvals that are legally required for CONTRACTOR to practice its profession or provide such Services. CITY shall make reasonable efforts to notify CONTRACTOR not later than ten (10) days after CITY is served with any such claim, action, lawsuit or other proceeding, provided that CITY's failure to provide such notice within such time period shall not relieve CONTRACTOR of its obligations hereunder, which shall survive any termination or expiration of this Agreement.
- C. All proprietary and other information received from CONTRACTOR by CITY, whether received in connection with CONTRACTOR's proposal to CITY or in connection with any Services performed by CONTRACTOR, will be disclosed upon receipt of a request for disclosure, pursuant to the California Public Records Act; provided, however, that, if any information is set apart and clearly marked "trade secret" when it is provided to CITY, CITY shall give notice to CONTRACTOR of any request for the disclosure of such information. The CONTRACTOR shall then have five (5) days from the date it receives such notice to enter into an agreement with the CITY, satisfactory to the City Attorney, providing for the defense of, and complete indemnification and reimbursement for all costs (including plaintiff's attorney fees) incurred by CITY in any legal action to compel the disclosure of such information under the California Public Records Act. The CONTRACTOR shall have sole responsibility for defense of the actual "trade secret" designation of such information.
- D. The parties understand and agree that any failure by CONTRACTOR to respond to the notice provided by CITY and/or to enter into an agreement with CITY, in accordance with the provisions of subsection C, above, shall constitute a complete waiver by CONTRACTOR of any rights regarding the information designated "trade secret" by CONTRACTOR, and such information shall be disclosed by CITY pursuant to applicable procedures required by the Public Records Act.
8. **Standard of Performance.** CONTRACTOR shall perform all Services required pursuant to this Agreement in the manner and according to the standards currently observed by a competent practitioner of CONTRACTOR's profession in California. In the event that CITY, at any time during the term of this Agreement, desires the removal of any person assigned by CONTRACTOR to perform Services pursuant to this Agreement, because CITY, in its sole discretion, determines that such person is not performing in accordance with the standards required herein, CONTRACTOR shall remove such person immediately upon receiving notice from CITY of the desire of CITY for the removal of such person.

If CITY gives such notice of suspension, CONTRACTOR shall immediately suspend its activities under this Agreement, as specified in such notice.
- C. CITY shall have the right to terminate this Agreement at any time by giving a written notice of termination to CONTRACTOR. If CITY gives such notice of termination, CONTRACTOR shall immediately cease rendering Services pursuant to this Agreement. If CITY terminates this Agreement:
 - (1) CONTRACTOR shall, not later than five days after such notice of termination, deliver to CITY copies of all information prepared pursuant to this Agreement.
 - (2) CITY shall pay CONTRACTOR the reasonable value of Services rendered by CONTRACTOR prior to termination; provided, however, CITY shall not in any manner be liable for lost profits that might have been made by CONTRACTOR had the Agreement not been terminated or had CONTRACTOR completed the Services required by this Agreement. In this regard, CONTRACTOR shall furnish to CITY such financial information as in the judgment of the CITY is necessary for CITY to determine the reasonable value of the Services rendered by CONTRACTOR. The foregoing is cumulative and does not affect any right or remedy that CITY may have in law or equity.

10. Indemnity.

- A. Indemnity: CONTRACTOR shall defend, hold harmless and indemnify CITY, its officers and employees, and each and every one of them, from and against any and all actions, damages, costs, liabilities, claims, demands, losses, judgments, penalties, costs and expenses of every type and description, including, but not limited to, any fees and/or costs reasonably incurred by CITY's staff attorneys or outside attorneys and any fees and expenses incurred in enforcing this provision (hereafter collectively referred to as "Liabilities"), including but not limited to Liabilities arising from personal injury or death, damage to personal, real or intellectual property or the environment, contractual or other economic damages, or regulatory penalties, arising out of or in any way connected with performance of or failure to perform this Agreement by CONTRACTOR, any subcontractor or agent, anyone directly or indirectly employed by any of them or anyone for whose acts any of them may be liable, whether or not (i) such Liabilities are caused in part by a party indemnified hereunder or (ii) such Liabilities are litigated, settled or reduced to judgment; provided that the foregoing indemnity does not apply to liability for any damage or expense for death or bodily injury to persons or damage to property to the extent arising from the sole negligence or willful misconduct of CITY, its agents, servants, or independent contractors who are directly responsible to CITY, except when such agents, servants, or independent contractors are under the direct supervision and control of CONTRACTOR.
- B. Insurance Policies; Intellectual Property Claims: The existence or acceptance by CITY of any of the insurance policies or coverages described in this Agreement shall not affect or limit any of CITY's rights under this Section 10, nor shall the limits of such insurance limit the liability of CONTRACTOR hereunder. This Section 10 shall not apply to any intellectual property claims, actions, lawsuits or other proceedings subject to the provisions of Section 7.B., above. The provisions of this Section 10 shall survive any expiration or termination of this Agreement.

11. Funding Availability.

CONTRACTOR shall take such action with respect to any subcontract or procurement as the CITY may direct as a means of enforcing such provisions including sanctions for noncompliance; provided, however, that in the event CONTRACTOR becomes involved in, or is threatened with, litigation with a subcontractor or supplier as a result of such direction, CONTRACTOR may request CITY to enter such litigation to protect the interests of CITY.
13. **Severability.** If any portion of this Agreement or the application thereof to any person or circumstance shall be held invalid or unenforceable, the remainder of this Agreement shall not be affected thereby and shall be enforced to the greatest extent permitted by law.
14. **Waiver.** Neither CITY acceptance of, or payment for, any Service or Additional Service performed by CONTRACTOR, nor any waiver by either party of any default, breach or condition precedent, shall be construed as a waiver of any provision of this Agreement, nor as a waiver of any other default, breach or condition precedent or any other right hereunder.

2.) LOCAL BUSINESS SALES/USE TAX DEDUCTION

The Sacramento City Code requires the City to identify those bids that are subject to the City's local sales or use tax under the provisions of Part 1.5 of Division 2 of the California Revenue and Taxation Code and Chapter 3.24 of the Sacramento City Code. The lowest responsible bidder shall be determined after the amount of local sales or use tax that would be received by the City is deducted from such bids. The current rate at which such local sales or use tax is received by the City is one percent (1%). **Therefore, in evaluating bids to determine the lowest responsible bidder, bids that are subject to this tax at the time of bid opening shall have an amount equal to one percent (1%) of the taxable total deducted from the bids.** This deduction shall be in addition to the application of any bid price preferences or other deductions authorized by the City Code. Such deductions shall be made for bid evaluation purposes only. Contract awards shall be made at the actual bid amount.

3.) SUSTAINABLE PURCHASING POLICY ("SPP")

The City has adopted a "Sustainable Procurement Policy" (SPP) and program. The goal is to encourage the procurement of products and services that help minimize environmental impact resulting from use and disposal of these products. Contractors are encouraged to offer Energy Star, Green Seal, UL EcoLogo, or products that meet FEMP (Federal Energy Management Program) standards for energy consumption. City also encourages Contractors to offer products that are produced with recycled materials, where appropriate, unless otherwise requested in this IFB. Contractors will offer products that have minimal virgin materials and maximum use of recycled products. Contractor must work with the City to attain these goals.

Notwithstanding the above, the Contractor agrees to supply the City of Sacramento with environmentally preferable and effective products in compliance with the specifications in this solicitation and provide services that help minimize environmental impact resulting from use and disposal of products specified in this bid.

The Contractor further agrees that its products specified in this bid do not contain any items, ingredients or components prohibited under the City's SPP Policy.

Council Resolution No. 2000-551 authorizes the use of incremental bid evaluation preferences up to a total not to exceed five percent (5%) of the total bid amount when evaluating the cost of products or services that represent the efforts to recycle and re-use sustainable and environmentally preferred products described in this policy. However, such bid preferences shall not exceed a total value of \$50,000.00 on any single bid procurement bid preference.

The City may terminate this Contract or take other appropriate actions if the Contractor fails to comply or provide adequate supporting documentation to substantiate compliance with the City's SP Policy and requirements specified in the bid.

COMMITMENT TO CORROSION RESISTANCE

Corrosion won't be a concern when you buy quality Knapheide products. To give you the best corrosion protection, we utilize a state-of-the-art, custom-designed, 12-step, SST cathodic electrodeposition finishing system, called "E-Coat."

It bonds prime paint to steel by an electroplating process to give you a superior coat of primer, resulting in better corrosion protection compared to spraying methods.

This system allows us to create products with the highest level of corrosion resistance available.
