Honorable Members in Session:

SUBJECT: 11th and N Street Sewer Replacement (PN:XB81) - Contract Completion

SUMMARY

The work on the 11th and N Street Sewer Replacement project was completed on May 31, 1989 at a cost of \$16,868.57 and project acceptance is recommended.

BACKGROUND

Terry's Excavating of Elk Grove has completed Project No. XB81, Council Contract No. CO88042, dated March 23, 1989. This project provided for the replacement of the deteriorated existing brick sewer along 11th Street between N Street and the N-0 Alley. The brick sewer was replaced with polyvinylchloride (PVC) pipe.

FINANCIAL DATA

As of June 12, 1989 this project had a negative balance of (-\$2,233) in the Sewer Fund (414). \$1,686.86 is encumbered in the project, which is sufficient to pay the balance due on the contract and to close the contract. An estimated additional \$5,000 needed to close this project will be administratively transferred into this project fund at a later date.

POLICY CONSIDERATIONS

None.

City Council
11th and N Street Sewer Replacement (PN:XB81) - Contract Completion
June 27, 1989
Page 2

MBE/WBE EFFORT

Four bids were received for this project. Two bids were received from minority business enterprises. However, these bids were 58% and 96% higher than the low bid.

RECOMMENDATION

It is recommended that the City Council:

1. Accept the project;
2. Authorize the filing of the Notice of Completion and Acceptance of Work with the County Recorder; and
3. Authorize final payment.

Respectfully submitted,

 THOMAS M. FINLEY
 Engineering Division Manager

Recommendation Approved:

 WALTER J. SLIPE
 City Manager

Approved:

 MELVIN H. JOHNSON
 Director of Public Works
