Description/Analysis

Issue: The terms for the incumbent Council Members in Districts 1, 3, 5 and 7 will expire in November 2010. Pursuant to established procedures, the Office of the City Clerk is calling and giving notice of a primary election in June to fill these vacancies, and a general election in November if a run-off election is necessary. In accordance with the City Charter, the regular city elections are to be consolidated with the statewide elections.

In addition, in order to obtain specific election services from the County Registrar of Voters, it is necessary to formalize a request to the Sacramento County Board of Supervisors that instructs the Registrar of Voters to provide such services.

Policy Considerations: The actions outlined in this report are in accordance with the California Elections Code and the Sacramento City Charter

Environmental Considerations: None.

Sustainability Considerations: Consolidating elections provides for cost

Commission/Committee Action: None.

Rationale for Recommendation: In order to hold a June 2010 primary election and a November 2010 general election, these actions must be taken.

Financial Considerations: Funds are available in the City Clerk's election budget to accommodate the routine costs associated with these elections. The County Registrar has estimated the cost of the June primary election to be approximately \$165,000 (\$61,000 for offices and \$104,000 for strong mayor initiative). The cost of the November election will depend on whether a run-off election is necessary in any of the offices. Information on the cost of a November election will be brought back to Council if/when those contests are called. Additional measures for the June ballot are estimated at \$33,000 each.

Emerging Small Business Development (ESBD): Not applicable.
