RE: Capitol Area Development Authority (CADA)

Dear Phil:

On Thursday, December 13, 1979, we briefly discussed development of a formal procedure by which the Capitol Area Development Authority would periodically report to the City Council regarding the Authority's activities. I suggested a procedure similar to that used by the Port District, while you indicated that you thought it would be more fruitful for CADA to make presentations to the Council's Community Development Committee. You stated that this was something you wanted to consider further.

The purpose of this letter is to express my interest in developing this procedure and to ask you to advise me how you would like CADA to proceed in this regard. If you would like to discuss this further, please contact me.

Very truly yours,

CAPITOL AREA DEVELOPMENT AUTHORITY
