Dear Sirs,

I took out a permit for electrical work in my home several months ago wanting to have "all possily needed" to be covered. After inspection, my friend, an electrician, told my my electrical was in much better condition than he had expected.

He "cleaned up" my electrical by adding ourlet covers, making wires secure in new electrical caps, & marking my electrical box.

He stated that the above work did not require a permit and told me to return the permit for a refund, which I did in June.

I thank you for your assistance in expediting this refund.

Sincerely,

*Kathleen Kelly*
