of the City Council

IN RECOGNITION OF OUTSTANDING CITIZENSHIP AND ACTIVITIES ENHANCING OUR COMMUNITY

Ron Smith
Granite Construction

is hereby recognized by the East Del Paso Heights Target Area Committee members and the staff and children of Castori School, for the donation of concrete and man power necessary to form up, pour and finish the infill section of sidewalk on the southeast corner of Castori School. This is another fine example of the community coming together in a partnership, working together for the benefit of the community as a whole.

This act will always be remembered by the neighborhood who see the school as a hub for many worthwhile endeavors, not the least of which is education of our children.

ISSUED: This 30th Day of March 1999.
