Mr. Thomas stated that this plan will address the care of Sacramento's elm trees as well as the City's street trees and that this report would be prepared by City staff and a consultant team. Mr. Thomas said that the Task Force believes that this report can be produced with \$100,000.

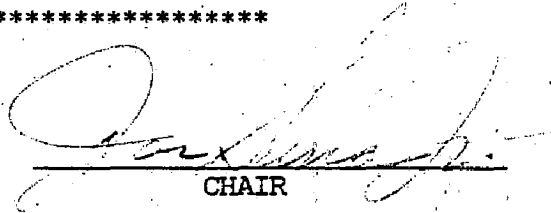

* Committee member Chinn arrived at 3:40 p.m.

Mr. Thomas stated that the City could not afford to spend \$100,000 on a Tree Management Plan and asked that he be given more time to seek private funding.
