Re: Petition for consolidation of Two Cities

Dear Sir:

You have asked the legal question as to whether or not, upon filing a petition for consolidation of two cities under the Municipal Consolidation Act of 1913, if it would have to be referred to the Local Agency Formation Commission.

According to a bulletin dated September 17, 1963, from the League of California Cities it states, referring to the Local Agency Formation Commission:

4630

"It does not apply to consolidation of two or more cities or special districts."

Therefore, in my opinion, a petition to consolidate two cities under the Municipal consolidation Act of 1913 does not have to be sent to the Local Agency Formation Commission.

Very truly yours,

s/Everett M. Glenn

Re: Petition for Consolidation

Dear Sir:

You have asked the legal opinion as to whether or not a petition under the Municipal Consolidation Act of 1913 has to be submitted to the Sacramento County Boundary Commission.

In my opinion it does not, for the reason that there are no provisions requiring this in the Municipal Consolidation Act of 1913.

Very truly yours
