SUBJECT: Zone Change Application P-8943

SUMMARY

On April 21, 1980, the above matter was filed with my office to set a hearing date.

Pursuant to the provisions of the Zoning Ordinance, the applicant was required to file an appeal within 10 days after the action of the City Planning Commission. However, the applicant indicates that it may be six (6) months before problems can be resolved in this matter. Therefore, he is requesting that the matter be continued for six (6) months.

RECOMMENDATION

In order to fulfill legal requirements, it is recommended that the City Council receive this matter and refer the matter to the City Clerk to set for hearing when it is deemed appropriate.

Respectfully submitted,

Dear Ms. Hatfield:

On May 13, 1980, the City Council referred the following matter to the City Clerk to set for hearing when it is deemed appropriate;

Appeal of Planning Commission's denial of Rezone of 7+ acres from "A" to "M-1" to develop a trunk terminal. Loc: Northeast corner of Raley Boulevard and Main Avenue (P-8943).

As soon as the Planning Department and yourself have determined that the problems have been resolved, please let me know. I will then set the matter for hearing and set in motion the legal notification process.

Do not hesitate to call me if you have any questions about procedure.

Sincerely,

Lorraine Magana
