

Hello to **Members of the City Council's Personnel and Public Employees Committee**

Since the City Council and P&PE meetings this week were moved to Thursday, there is a conflict between today's P&PE Committee meeting and my Preservation Director Hearing with four hearing items. Therefore, I will not be able to attend the P&PE meeting today. The City Clerk's office suggested I send this e-mail, which they offered to provide to you, with my assessment of the qualifications of the three candidates who have applied for position A-2 on the Sacramento Heritage Board.

Sacramento Heritage Board, Position A-2: Public At-Large with knowledge and/or experience in housing. (City residency not required for this position.)

- From their application submittal materials, it would appear that Sacramento Heritage's Board would benefit from having any of the three candidates be appointed to serve on the board.
- All three candidates appear to have housing knowledge and/or experience, with
 - **Ms. McCormick** - appearing to have housing work experience relative to architectural projects; and,
 - **Mr. Blangeres** - appearing to have housing work experience relative to architectural projects, as well as housing work experience relative to construction projects; and,
 - **Ms. Butler** - appearing to have housing work experience relative to multi-family housing rehabilitation projects involving historic properties.

Also, all three candidates appear to be eligible for other positions, when those become available, on either the Sacramento Heritage Board and/or the Preservation Commission.

Thank you for your consideration of this assessment.
