Description/Analysis

Issue: G.C. Wallace of California, on behalf of Broadway SPC, LLC, the property owner at 401 Broadway with Assessor Parcel Number 009-0232-015, has applied to vacate the Public Service Easement (PSE) located within the previously vacated portion of the alley at 401 Broadway. This request is in conjunction with the proposed development at 401 Broadway under Planning Entitlement No. P06-003. This proposed development is to include the construction of a storage facility, retail shops and a mixed retail/residential complex.

A summary of the project's history is included in Attachment 1, Page 4.

Policy Considerations: The Council action recommended in this report is consistent with the City's Strategic Plan to promote and support economic vitality and is in compliance with the State of California, Streets and Highways Code, Section 8310- 8325 that provides the procedure for the vacation of streets, alleys, and easements.

Committee/Commission Action: The City Planning Division has reviewed and determined that the vacation of the subject PSE is consistent with the City's General Plan.

Environmental Considerations: The Environmental Planning Services section of the Development Services Department has reviewed the previously described PSE for vacation, and has determined that it is exempt under the provisions of the California Environmental Quality Act (CEQA) under Section 15061(b)(3) of the CEQA guidelines. Exempt projects that fall under Section 15061(b)(3) are determined to have no significant effect on the environment. Any future development of the property must comply with all regulatory requirements.

Rationale for Recommendation: The subject PSE lies within the vacated portion of the alley. This vacation will help facilitate the proposed development at 401 Broadway (P06-003).

Financial Considerations: The applicant is responsible for all fees required to process the vacation application and holds all financial responsibility of any conditions placed on this vacation request at no cost to the City.

Background

The Vacation of the Public Service Easement of the Vacated portion of the Alley bounded by 3rd Street, 5th Street, "X" Street and Broadway

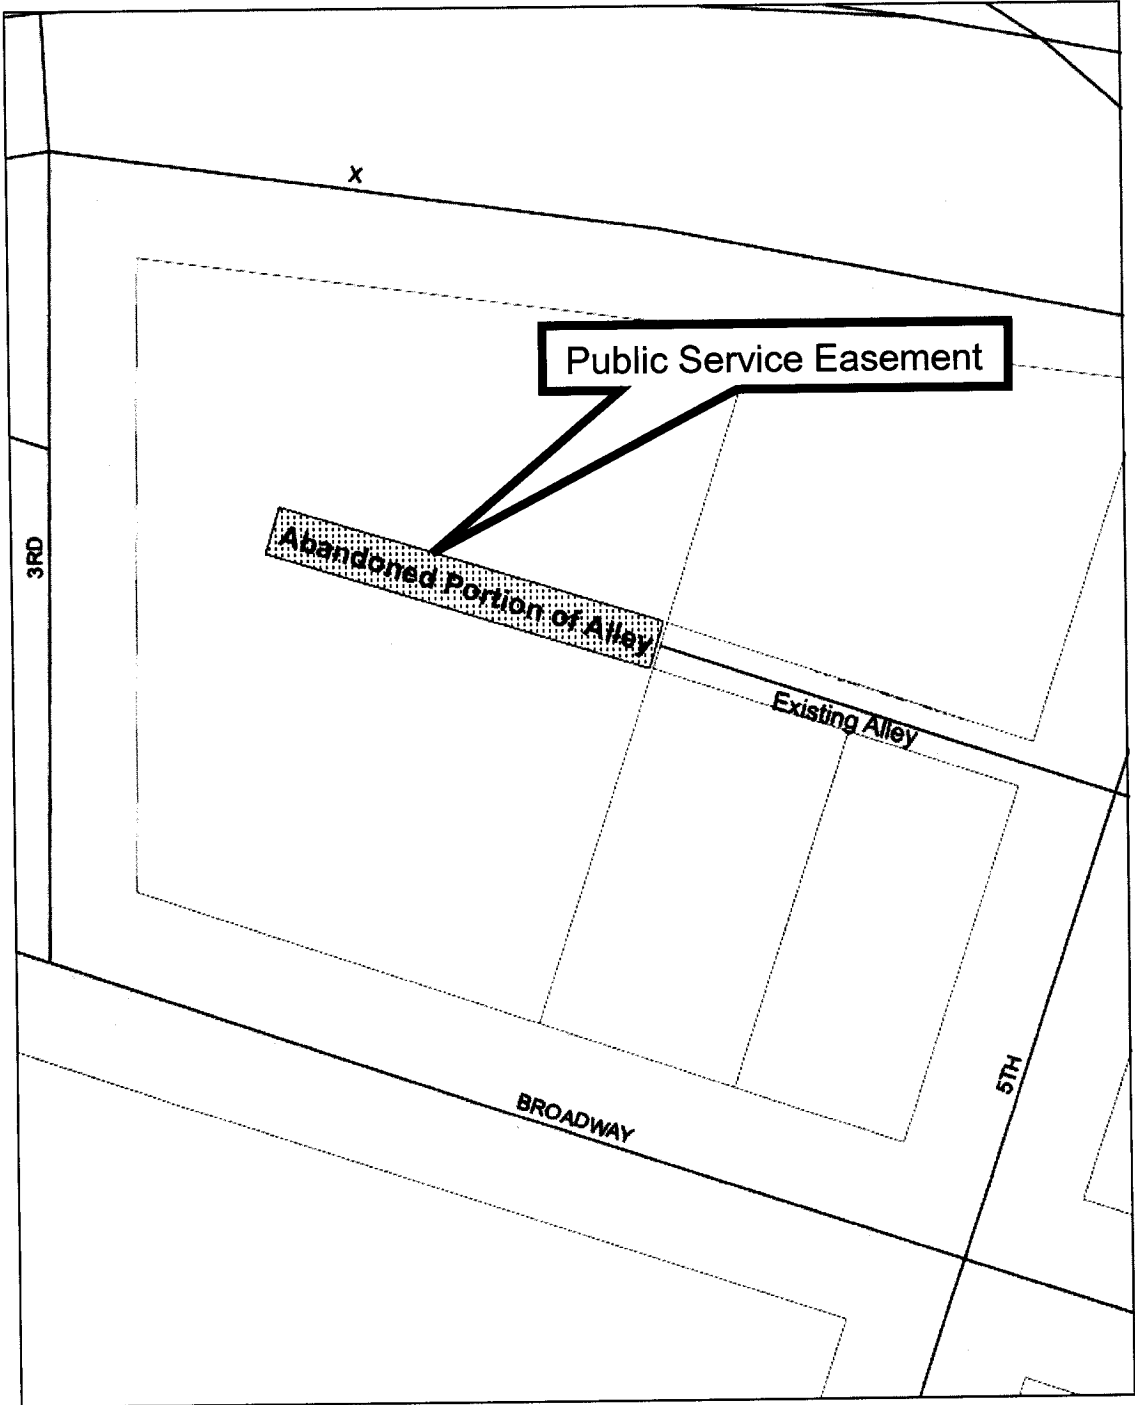

G.C. Wallace of California, Inc. on behalf of Broadway SPC, LLC, the property owner of 401 Broadway with Assessor Parcel Number 009-0232-015, has requested this vacation of the subject Public Service Easement (PSE). The subject PSE is located within the vacated portion of the alley at 401 Broadway. The alley right-of-way was vacated by City of Sacramento Ordinance 2516 (IV series) November 8, 1963 (Attachment 3, Page 6). However, this ordinance reserved the subject PSE. The applicant wishes to vacate the subject PSE as part of their proposed development of their property at 401 Broadway.

The area of the subject PSE when vacated will be part of the proposed development at 401 Broadway; Planning Entitlement No. P06-003. This development will consist of a storage facility, retail shops and mixed retail/residential complex. The existing utilities within the subject PSE will be relocated at the applicant's expense.

Staff finds that this request for vacation is in conformance with the State of California Streets and Highways Code (S&HC) Sections 8310-8325. Staff recommends that the City Council approve this vacation request. Various City agencies and utility companies reviewed and support this vacation. In addition the City Clerk is directed to publish the Notice of Hearing of the proposed vacation, and the Notice of Hearing has been posted at the subject PSE site as required by law pursuant to Streets and Highways Code Sections 8222 and 8223 respectively.
