### MINUTES:

Council members Pane and Serna voiced concerns that the new ordinance would keep homeowners from building a second dwelling on the front of a lot, especially in East Sacramento where lot sizes are large and can accommodate two units.

Staff responded that the maximum size for the second unit is 640 sq. ft., and that the second unit must be compatible with the other homes in the neighborhood. Exceptions would be taken care of with variances - a special permit for a second unit over 640 sq. ft.

Council member Pane asked that staff attach the complete copy of the new ordinance with the City Council transmittal. Robert Thomas, Director of Planning and Development, also agreed to discuss what options for second unit development exists for homeowners in the Council report.

Council member Fargo MOVED, Council member Pane SECONDED, forward by CONSENT.
