

Minutes of APP Meeting Wed. May 4, 2005

No action items.

1. Discussion: Arts Plan for County and Sewer Water Building- Non Required APP project.

Bloom reviewed the project and arts plan. The Committee was unanimous in its support for the project and gave kudos to the Water District for including public art in the project.

2. Review of Poetry for Sump II Project-

The committee gave general support for poetry. No poets were identified on the poetry so the selection was anonymous by the artist Les Birleson.

Committee members gave suggestion to ask one of the poets to change a title and one poem was found to be not of high caliber. Staff will reflect these suggestions to artist Les Birleson. Bloom explained that Birleson was given direction to reflect the diversity of Sacramento in the selection of poets and themes are to express tolerance, understanding and diversity.

3. Parks Panels-

Committee members volunteering to serve:

Susan Selix- Phase II, John Nicolaus, Nancy Gotthart and Linda Pannetoni Phase II Residency for Parks?- 11 contiguous counties, \$25,000 minimum was suggested by Marquita Plomer (1st) and John Nicolaus(2nd)

Two APP members will serve on the Phase I panels.

Susan suggested that local artists be encouraged for the Parks.

All approved.
