Environmental Considerations:

California Environmental Quality Act (CEQA): This activity is not subject to the California Environmental Quality Act (CEQA) because it does not constitute a "project" as defined in section 15378 of the CEQA Guidelines, and is otherwise exempt pursuant to Sections 15321(b) (law enforcement activities) and 15601(b)(3) (no significant effect on the environment) of the CEQA Guidelines.

Sustainability Considerations: Not applicable.

Other: Not applicable

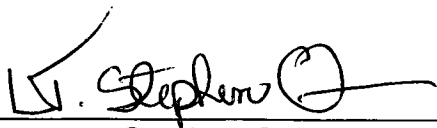

Commission/Committee Action: Not applicable.

Rationale for Recommendation: The City and County of Sacramento were initially awarded Homeland Security funding in FY 2003 to implement the Region's Homeland Security UASI Program. Since that time, the Sacramento UASI Program has received program funding in Fiscal Years 2004 through 2009 to continue implementing multi-jurisdictional Homeland Security goals and objectives. In March 2010, Sacramento's Regional Homeland Security Office applied for additional funding to continue implementing its Homeland Security program and was subsequently awarded \$3,157,829 in from the Department of Homeland Security.

Financial Considerations: The Department of Homeland Security has awarded the Sacramento UASI \$3,157,829 in funding for Fiscal Years 2010/11 to 2012/13. This funding allocation will pay for 100% of program costs for implementing, coordinating, and conducting Homeland Security program goals and objectives. Funding from this grant award will be used to pay for equipment, labor costs, and contractual agreements in accordance with the approved Homeland Security budgets and program guidelines. The term of the grant program is October 1, 2010 to April 30th, 2013; however, if necessary, the Department of Homeland Security may, at its discretion, grant an extension to complete project objectives. No grant match is required, and there is no current or future impact to the General Fund or additional monetary requirement to the City. If funding is discontinued the following 11 authorized full-time equivalent positions will be eliminated: one (1) Deputy Chief (unfunded), one (1) Lieutenant, one (1) Sergeant, one (1) Officer, three (3)

Administrative/Program Analysts, one (1) Application Developer, one (1) Police Clerk (unfunded), one (1) Fire Battalion Chief, one (1) Fire Captain.

Emerging Small Business Development (ESBD): Purchase of supplies and equipment will be made in accordance with the City's Emerging and Small Business Development (E/SBD) program requirements whenever possible.

The Sacramento Region has previously applied for and accepted Homeland Security grant funds to implement programs to prevent, protect, respond and recover from critical incidents. In March 2010, Sacramento's Regional Homeland Security Office applied for funding to continue implementing its Homeland Security program and was subsequently awarded \$3,157,829 in federal funding from the Department of Homeland Security to continue the Region's Homeland Security program for three years. This funding allocation will pay for 100% of the program costs for implementing, coordinating, and conducting Homeland Security program goals and objectives. Funding from this grant award will be used to pay for equipment, labor costs, and contractual agreements in accordance with the approved Homeland Security budgets and program guidelines. The term of the grant program is from October 1, 2010, and expires April 30th, 2013; however, if appropriate, the Department of Homeland Security may, at its discretion, grant an extension to complete project objectives.
