Honorable Members in Session:

SUBJECT: Approval of an Award to Contract with Brco Constructors, Inc. for the Renovation of an existing warehouse located at 1224 North "B" Street, and Authorizes the use of Downtown Tax Increment Funds to augment the Previously Approved Budget for the Proposed Renovations.

SUMMARY

The attached resolutions: (1) approves Brco Constructors, Inc. for the renovation of the structure located at 1224 North "B" Street, (2) approves the use of Downtown Tax Increment Funds (previously allocated to the Detox Center Program Account) to augment the available funding for the renovation, (3) determines the need for Downtown Tax Increment financing for use on the Homeless Shelter.

BACKGROUND

In the recently adopted program for the provision of "In-Kind" Services for General Assistance (welfare) recipients, the Board of Supervisors provided \$150,000 in funding for the renovation of the existing warehouse facility (which has since been purchased) adjacent to the Salvation Army Shelter. Since this renovation will also include office space for the Agency staff for programs other than "In-Kind" Services, it is appropriate to utilize Tax Increment Funds for a portion of the renovation costs.

On May 1, 1989, the Authority advertised for bids on the structural renovation. Bids were accepted on June 6, 1989. The following is a recapulation of the bids received on June 6, 1989.

M.P. Allen	\$254,980
Zinco General Contractors	\$285,566

Mc Cluskey	\$196,000
TRP Construction	\$213,720
Thoreon, Inc.	\$207,542
Park Mechanical	\$241,332
Equirox	\$210,405
G&D Builders	\$198,557
Cal Ram	\$222,263
Resource Development	\$274,634
Building Construction Mgt.	\$219,770
Chapik, Construction	\$227,734
Betzler Construction	\$308,000
Brco Construction	\$190,800
Maloney & Bell	\$209,420

The three (3) low bids were extensively reviewed and Brco Constructors, Inc. has been verified by staff as meeting all the requirements of the contract, together with providing the best MBE/WBE participation.

As the submitted bids exceed the approved funding of \$150,000 this report requests the use of \$40,800 in Downtown Tax Increment Funds to provide the additional funds necessary to meet the low bid amount. Additionally, the water district has not resolved the issue of whether a new water line would be required to be connected to the water main on 12th Street or whether a loop system from North "B" and 14th Street should be installed. Based on the worst case scenario, it is estimated that an additional \$12,000 would be required to complete the water system. It is also requested that a \$10,000 contingency fund be allotted to cover any additional unforeseen problems or conditions.

FINANCIAL DATA

A total of \$62,800 is required from low to moderate Housing Downtown Tax Increment Fund to complete this renovation. This recommendation increases the 1989 budget by \$62,800.

ENVIRONMENTAL REVIEW

A Negative Declaration, Control No. 148-HS-88, was adopted as adequate and complete on December 13, 1988. All subsequent actions to implement the project as approved require no further environmental review.

POLICY IMPLICATIONS

Previously discussed and approved at the Board of Supervisors meeting on December 13, 1988. There are no policy changes being recommended.

VOTE AND RECOMMENDATION OF COMMISSION

At its regular meeting of July 17, 1989, the Sacramento Housing and Redevelopment Commission adopted a motion recommending approval of the attached resolution. The votes were as follows:
