Nature of Work: FOOTING FOR CONVEYOR SYSTEM EQUIPMENT - EQUIPMENT
INSTALLATION ON SEPERATE PERMIT

CONSTRUCTION LENDING AGENCY: I hereby affirm under penalty of perjury that there is a construction lending agency for the performance
of the work for which this permit is issued (Sec. 3097, Civ. C).

Lender's Name Lender's Address

LICENSED CONTRACTORS DECLARATION: I hereby affirm under penalty of perjury that I am licensed under provisions of Chapter 9
(commencing with section 7000) of Division 3 of the Business and Professions Code and my license is in full force and effect.

License Class B License Number 630955 Date 1/11/99 Contractor Signature

OWNER-BUILDER DECLARATION: I hereby affirm under penalty of perjury that I am exempt from the contractors License Law for the
following reason (Sec. 7031.5, Business and Professions Code; any city or county which requires a permit to construct, alter, improve, demolish, or repair
any structure, prior to its issuance, also requires the applicant for such permit to file a signed statement that he or she is licensed pursuant to the provisions
of the Contractors License Law (Chapter 9 (commencing with Section 7000) of Division 8 of the Business and Professions Code) or that he or she is
exempt therefrom and the basis for the alleged exemption. Any violation of Section 7031.5 by any applicant for a permit subjects the applicant to a civil
penalty of not more than five hundred dollars (\$500.00);

I, as a owner of the property, or my employees with wages as their sole compensation, will do the work, and the structure is not intended or offered
for sale (Sec. 7044, Business and Professional Code: The Contractors License Law does not apply to an owner of property who builds or improves
thereon, and who does such work himself or herself or through his/her own employees, provided that such improvements are not intended or offered for
sale. If, however, the building or improvement is sold within one year of completion, the owner-builder will have the burden of proving that he/she did
not build or improve for the purpose of sale.)

I, as owner of the property, am exclusively contracting with licensed contractors to construct the project (Sec. 7044, Business and Professions
Code: The Contractors License Law does not apply to an owner of property who builds or improves thereon, and who contracts for such projects with a
contractor(s) licensed pursuant to the Contractors License Law).

I am exempt under Sec. B & PC for this reason:

Date Owner Signature

IN ISSUING THIS BUILDING PERMIT, the applicant represents, and the city relies on the representation of the applicant, that the applicant verified
all measurements and locations shown on the application or accompanying drawings and that the improvement to be constructed does not violate any law
or private agreement relating to permissible or prohibited locations for such improvements. This building permit does not authorize any illegal location of
any improvement or the violation of any private agreement relating to location of improvements.

I certify that I have read this application and state that all information is correct. I agree to comply with all city and county ordinances and state laws
relating to building construction and hereby authorize representative(s) of this city to enter upon the abovementioned property for inspection purposes.

Date 1/11/99 Applicant/Agent Signature

WORKER'S COMPENSATION DECLARATION: I hereby affirm under penalty of perjury one of the following declarations:

I have and will maintain a certificate of consent to self-insure for workers' compensation as provided for by Section 3700 of the Labor Code, for the
performance of work for which the permit is issued.

I have and will maintain workers' compensation insurance, as required by Section 3700 of the Labor Code, for the performance of the work for
which this permit is issued. My workers' compensation insurance carrier and policy number are:

Carrier DAL COMP INS. CO Policy Number WBN64703A Exp Date 10/15/1999

(This section need not be completed if the permit is for \$100 or less) I certify that in the performance of the work for which this permit is issued, I
shall not employ any person in any manner so as to become subject to the workers' compensation laws of California and agree that if I should become
subject to the workers' compensation provisions of Section 3700 of the Labor Code, I shall forthwith comply with those provisions.

Date 1/11/99 Applicant Signature

WARNING: FAILURE TO SECURE WORKER'S COMPENSATION COVERAGE IS UNLAWFUL AND SHALL SUBJECT AN EMPLOYER TO
CRIMINAL PENALTIES AND CIVIL FINES UP TO ONE HUNDRED THOUSAND DOLLARS (\$100,000) IN ADDITION TO THE COST OF
COMPENSATION, DAMAGES AS PROVIDED FOR IN SECTION 3706 OF THE LABOR CODE, INTEREST AND ATTORNEY'S FEE.

THIS PERMIT SHALL EXPIRE BY LIMITATION IF WORK IS NOT COMMENCED WITHIN 180 DAYS.

Phone: 216-367-6000 Fax: 216-367-6022

STARTED:

COMPLETED:

REQUIRED: 1/21/99

REQUEST:

Sheet S-7 Detail C shows the rebar connection to the new footing at the bottom of the footing with a 16" min embedment. If this is correct, the excavation will have to be widened to accommodate the length of the rebar and an additional excavation width to accommodate the core drill. In order to get 16" embedment, this will have to be core drilled at additional expense because of the possibility of hitting the existing rebar in that footing. I would suggest, because of the space required and the area that we would be excavating that we embed the rebar off the top of the footing and bend it horizontal into the new footing instead of enlarging the excavation.

Requested By: Aaron Management, Inc.

Date: _____

Signed: _____

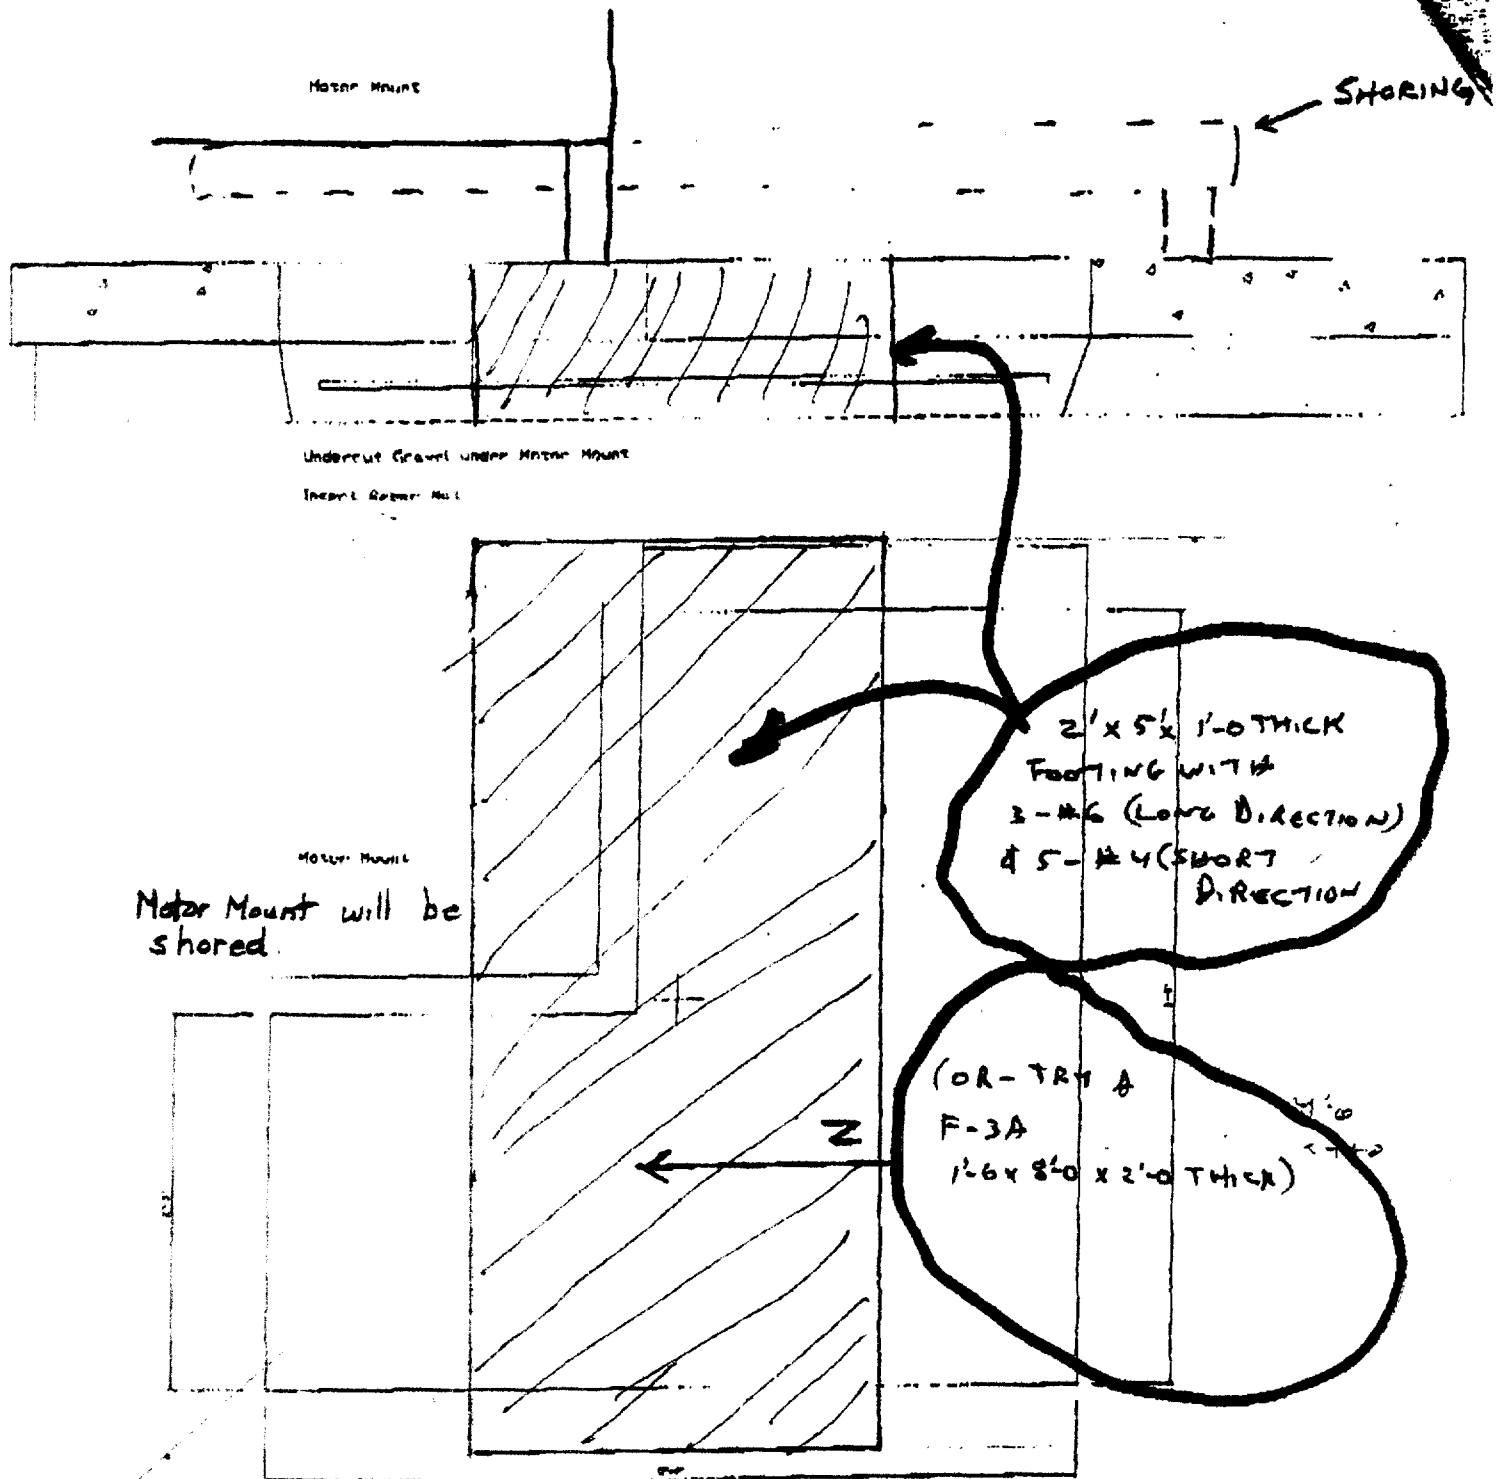

Rich Koehler

— For Section E, EMBEDMENT MAY BE REDUCED TO 6".

THIS IS ENOUGH TO DEVELOP THE TENSILE STRENGTH OF THE BAR (PER HILTI LITERATURE). AT THIS LOCATION, BAR IS NOT FULLY STRESSED, SO FULL LAP WITH EXISTING REINFORCING IS NOT REQUIRED.

— For Section C, DO NOT EMBED ANBAR IN TOP OF FOOTING & BEND 90°. THIS IS NOT STRUCTURALLY EQUIVALENT, AND THE NEW LOADS ARE NEARLY 60,000 POUNDS (MAX.)! DO NOT CORE DRILL!

WE NEED THE EXISTING REINFORCING AND DON'T WANT TO CUT IT. IF YOU HIT REBAR, ~~DO NOT~~ RE-DRILL THE HOLE JUST ABOVE THE REBAR. EXTEND EXCAVATION: SHOW EXISTING CONVEYOR & REQUIRED. YOU MAY SUBST. TO 16" W/ 12" EMBEDMENT FOR THE 9-BARS WITH 16" EMBEDMENT.
