SUPPORT SERVICES DIVISION

City Council  
Sacramento, California

Honorable Members In Session:

SUBJECT: Rejection of Bids for Repair/Replacement of Sidewalk, Gutter  
and Curb

SUMMARY:

Streets Division has a requirement for repair/replacement of City sidewalk, gutter and curb. Due to an administrative error, the cover letter with instructions to bidders was omitted from the original package. It is recommended that in the best interest of the City, the City Council reject all bids received for this requirement.

BACKGROUND INFORMATION:

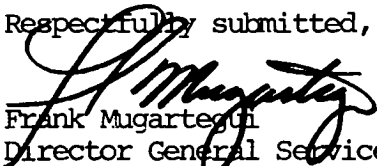

Formal Bid No. 780 was solicited by the City Council on February 12, 1985 and bid opening was scheduled for March 5, 1985. Due to the discrepancy identified above, the City Clerk decided in the best interest of the City to disregard the submitted bids and return them to sender pending the readvertisement.

FINANCIAL DATA:

Sufficient funds remain available for this requirement.

RECOMMENDATION:

It is therefore recommended that, pursuant to Section 57.305 of the Sacramento City Code, the City Council reject all bids received and adopt the corrected specifications for readvertisement.

Respectfully submitted,  
  
Frank Mugartegui  
Director General Services
