Estimated cost, \$ 150<sup>00</sup>  
 Plans must be submitted.

F.S. Atkins  
 Owner or Owner's Representative.

The image shows a grid of graph paper. The grid is composed of 20 columns and 20 rows. A vertical line runs down the center, between the 10th and 11th columns. A horizontal gap is present between the 10th and 11th rows. This layout creates four quadrants: a top-left quadrant (10 columns by 10 rows), a top-right quadrant (10 columns by 10 rows), a bottom-left quadrant (10 columns by 10 rows), and a bottom-right quadrant (10 columns by 10 rows).
