**SUMMARY:**

The Police Department is requesting approval to accept funding in the amount of \$96,722 from the State of California, Office of Criminal Justice Planning to continue implementation of the Gang Violence Suppression program within the Luther Burbank High School Area, Thurgood Marshall Alternative High School, and Educational Clinics, Inc., in Districts 7 and 8. The program period is for twelve months, commencing July 1, 1999 through June 30, 2000. The Police Department's match of \$24,181 will come from its operating budget for a total program budget of \$120,903 for FY 1999/2000.

**COMMITTEE/COMMISSION ACTION:**

None

**BACKGROUND:**

The Police Department was awarded funding in 1998 to implement the Juvenile Gang Violence Suppression program with the potential for continued funding for two additional years. OCJP has renewed this program for the FY 1999/2000. The program consists of one FTE police officer position to implement the program. This officer is partnered with a Senior Probation Officer. By presenting gang members with a united front of apprehension and immediate return to custody, the impact of the program is felt much more strongly. Based upon performance the grant period can be extended.

**FINANCIAL CONSIDERATIONS:**

The total cost of the grant is \$120,903, of which there is a 20% match required by the City. OCJP will fund \$96,772, and the Police Department's portion of the match is \$24,181. The Department's required match will come from its existing operating budget.

**POLICY CONSIDERATIONS:**

Accepting funds from the State of California, Office of Criminal Justice Planning to continue implementation of a Gang Violence Suppression program is consistent with previously adopted policy.
