Your attention is directed to the current status of your permit: **ISSUED**

Each building permit issued by the Planning and Building Department shall expire by limitation and become null and void if the building or work authorized by such permit is not commenced within 180 days from the date of such permit, or if the building or work authorized by such permit is suspended or abandoned at any time after the work is commenced for a period of 180 days.

Our files show no progress on your permit. You must call 916-264-7622 for a progress or final inspection BEFORE the above permit expiration date. If we do not hear from you, we will assume this project has been abandoned and therefore consider your permit expired.

You are further notified that once this permit has expired, a **NEW PERMIT** must be obtained before any further work is done and you will be required to make any changes necessary to meet the requirements of the present Sacramento City Code.
