City Council
Sacramento, California

Honorable Members in Session:

SUBJECT: Approval of Plans and Specifications for Water Main Installation -
Florin Road - Luther Drive Tie

SUMMARY

The Division of Water and Sewers has prepared plans and specifications for the subject project. Copy of said plans and specifications has been forwarded to the City Clerk and approval is recommended.

BACKGROUND

The fire protection capabilities in this area has been substandard because of the dead-end mains that exist. In order to provide better water pressures for fire protection, these distribution mains need to be tied together.

FINANCIAL DATA

This project is included in the 1979-80 Water Distribution Capital Improvement Budget. Estimated construction cost is \$17,000.00. The amount budgeted is \$50,000.00 (4-13-3030-1503-4820) of which \$49,568.45 remains.

RECOMMENDATION

It is recommended that the plans and specifications be approved and that bids be received on April 14, 1981.

Respectfully submitted,

Robert W. Johnston, for

Harry G. Behrens, Manager

APPROVED H. Parker, City Engineer
BY THE CITY COUNCIL

Recommendation approved:
