Legal Description: None Provided

Previous Files: None

Additional Information The applicant proposes to relocate the common property lines between three parcels in order create a parcel to be sold for future development. The two parcels to the west are vacant and the large parcel contains the Union Pacific railroad tracks. All parcels will meet all minimum lot size requirements after the proposed adjustment.

Agency Comments

The proposed project has been reviewed by the City Utilities Department, the Building Division, and the Public Works - Transportation and Engineering Planning Divisions. The comments received pertaining to the lot line adjustment have been included as conditions in the attached resolution.

Environmental Determination

This project will not have a significant effect on the environment and is exempt from environmental review pursuant to State EIR Guidelines {California Environmental Quality Act, Section 15305(a)}.
