Description/Analysis

Issue: The SETA Governing Board has approved an action that requires the review and approval of the City Council. Under the Joint Exercise of Powers Agreement, Section 21 (a) (1), SETA is required to request authority from the Partners (the City of Sacramento and the County of Sacramento) to accept any form of financial assistance and the operation and administration by the Agency of any human service program other than those specifically authorized pursuant to the Agreement.

The Sacramento Employment and Training Agency is the designated grantee for a number of grants to provide services to Sacramento City and County residents and is the designated One Stop Operator for Sacramento County, the Sacramento Works Career Center system. SETA is the administrative entity for the Workforce Investment Act Youth, Adult and Dislocated Worker funds for Sacramento County.

SETA, the Sacramento Works, Inc. and the Sacramento Works Youth Council have

engaged several community collaborative ventures to increase and enhance the youth and adult employment services. In the past ten years, SETA has increased services to foster youth and youth involved in the criminal justice system. This body approved SETA's application and receipt of funds to serve this population. SETA operates Youth Development programs to deter youth from involvement in criminal activities and, if involved in the juvenile justice system, to successfully transition from the juvenile justice system into education and/or employment. SETA also operates the Sacramento Works for Youth JOBS Initiative preparing youth for and subsidizing temporary employment opportunities.

At a recent Sacramento Works Youth Council meeting, the concept of employer sponsorships was introduced as a method to engage more employers to hire youth. It is estimated that a youth earns approximately \$1,800 for part-time summer employment. Beginning in April 2008, SETA, in partnership with the City of Sacramento, will be recruiting Employer Sponsorships from businesses that are willing to provide a summer job opportunity to a youth or financial support for wages paid to youth working in another business. Participating employers will make a tax deductible donation to SETA and SETA will augment the contracts with existing youth providers to increase paid subsidized employment opportunities for youth. Employers that donate funds will be recognized for their contribution to the success of the Sacramento Works for Youth JOBS initiative.

Policy Considerations: None.

Environmental Considerations: N/A

Rationale for Recommendation: City Council approval is needed to accept funding sources not specifically authorized in the Joint Exercise of Powers Agreement.

Financial Considerations: Approval of this recommendation will have no fiscal impact on the City budget.

Emerging Small Business Development (ESBD): N/A
