2. File a waiver of Parcel Map. (Public Works)
3. Pay off or segregate any existing assessments. (Public Works)
4. Advisory Note: The proposed project is located in the 100 year flood plain, designated as an AR zone (elevation 19 feet) on the Federal Emergency Management Agency (FEMA) Federal Insurance Rater Map (FIRMS) dated July 6, 1998. Within the AR zone the following regulations will apply:
  - \* All new residential and commercial development will be required to be constructed with the lowest floor, including basement, at or above the base flood elevation, or 3 feet above the highest adjacent grade, whichever is lower.
  - \* Commercial projects will have the option of flood proofing in lieu of the elevation requirements. (Public Works)
5. Only one domestic water service will be allowed per parcel. Any new domestic water service will be metered. Any excess domestic water services shall be abandoned to the satisfaction of the Department of Utilities prior to issuance of a building permit. (Utilities)
6. The proposed development is located within Sacramento County Sanitation District No.1. Contact the Regional Sanitation District for sanitary sewer conditions prior to issuance of building permit. (Utilities)

7. **Special Note:** The Army Corps of Engineers is currently considering reducing the estimated 100-year flows on the American River. If the estimated flows are reduced, the AR flood zone may be replaced with a less restrictive flood zone thus precluding the requirement to elevate or flood proof this project. Please contact the Department of Utilities at (916) 264-1400 prior to building design for an up-to-date status of the flood zone. (Utilities)

Findings of Fact:

1. The parcel merger is consistent with the General Plan which designates the site for Heavy Commercial or Warehouse.
2. All existing streets and/or utility easements of record are reserved.
3. The merger will not eliminate or reduce in size of the access way to any resulting parcel.
4. The resulting parcel conforms to the requirements of this Subdivision Ordinance, Chapter 40, the City's General Plan, the City's Comprehensive Zoning Ordinance, and the City's Building Code.
