Description/Analysis

Issue: This report requests authorization to enter into a new professional services agreement with Rachael S. Hinrichsen, who currently provides Tiny Tot programming at William Land Park. This fee-for-service program provides the community with recreation for children between the ages of three and five, for three days per week, three hours per day; or two days per week, three hours per day from September through May.

Policy Considerations: This report is consistent with Recreation Services Policy in the Council adopted *Parks and Recreation Master Plan 2005-2010*. This report is also consistent with the City Council's strategic plan to achieve sustainability and livability.

Environmental Considerations: This report concerns administrative activities that will not have any significant effect on the environment and that do not constitute a "project," as defined by the California Environmental Quality Act (CEQA) [CEQA Guidelines Sections 15061(b)(3); 15378(b)(2)].

Commission/Committee Action: Not applicable.

Rationale for Recommendation: Approval will allow the consultant to provide children between the ages of three and five with recreational activities through the City's Leisure Enrichment Program.

Financial Considerations: No funding is requested with this item. Tiny Tots is a fee-for-service program. The Department of Parks and Recreation houses, promotes, registers participants, collects the fee revenue and pays the consultant. The gross revenue collected by the City over the thirty-six month term of the agreement is projected to be \$257,142. The consultant will receive up to \$180,000 for services rendered. As contained in the agreement, the City will retain 30% of revenues collected, which is \$77,142 to offset administrative and operational costs. Revenues associated with this activity are deposited into the Special Recreation Fund (Fund 571).

This agreement is available for review at the City Clerk's office.

Emerging Small Business Development (ESBD): The provider for this contract, Rachael S. Hinrichsen, has chosen not to be certified by the City's Emerging Small Business Development Office.

Background

For over 20 years, the City of Sacramento has offered a fee-for-service Tiny Tot program through the Recreation Division's Leisure Enrichment program. Leisure Enrichment leverages General Fund programming by offering fee-for-service and is defined as a level of enhanced services that requires cost recovery. This is due to the following factors: services require specialized instruction, materials or equipment, and/or high participant/leadership ratios. Users of the service can be reasonably expected to support the direct costs of this non-General funded program.

Tiny Tots is one of these specialty programs. Ms. Hinrichsen's Tiny Tots program is offered at William Land Park for three days per week, three hours per day; or two days per week, three hours per day to children between the ages of three and five. A typical day includes activities such as indoor and outdoor games, arts, crafts, music and story telling.
