MINUTES

Jim Sequeira, Director of Utilities, addressed the Committee. Mr. Sequeira gave a brief description of the Department of Utilities, Affirmative Action Plan in concept. He introduced Ms. Kathy Mullen, Administrative Services Officer with the Department, who gave a more detailed analysis. Ms. Mullen briefly explained current efforts the Department is doing to increase work force diversity. She explained feasibility of an innovative plan aimed at hiring minorities and grooming them, along with existing staff, for advancement through the full range of occupational categories.

This plan would involve working with local school districts to determine if mutual benefits can be obtained by employing high school students under the Regional Occupation Program (ROP); and working with the Minority Engineering Program (MEP) at California State University, Sacramento for the purpose of providing experience to engineering students. Ms. Mullen also explained the Department's utilization of the City's Career Development Trainee (CDT) and the student trainee program.

Ms. Madeleine Fish, Director, Minority Engineering Program (MEP) addressed the Committee and briefly described her program at CSUS.

Mr. Jaime White, from the MEP program at CSUS, addressed the Committee. Mr. White explained the importance of this program to minority students at CSUS and the impact it has on students graduating in a more timely manner.

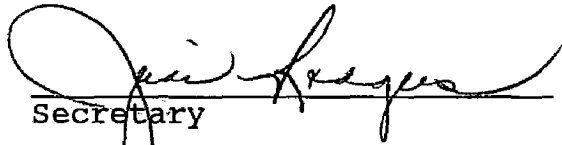

After a brief discussion by the Committee and staff a motion was made to approve the Department of Utilities Affirmative Action Plan Concept and forward it to Council.
