Honorable Members In Session:

SUBJECT: Acquisition of 11.5 Acres of Real Property Located at West El Camino
and the Main Drain Canal, A Portion of Parcel 3 of Metropolitan
Center Phase 2

SUMMARY

This report recommends that the joint Budget and Finance and Transportation and Community Development Committee, meeting jointly, review and approve the attached report for action by the City Council concerning the purchase of 11.5 acres of real property, located at West El Camino Avenue and the Main Drain Canal, for future use as a community park in the South Natomas area.

BACKGROUND

The City Council adopted the South Natomas Community Plan in January 1989. In that plan the General Fund is obligated to spend \$5,000,000 on parklands in South Natomas over the next seven years. The City currently has an option to purchase the property located at West El Camino Avenue and the Main Drain Canal. The option expires on December 15, 1989. The value of property has been frozen at December 15, 1988 land prices until December 15, 1989. It would be advantageous for the City to purchase the site before that time.

The subject parcel of land has been designated as a proposed community park site in the City's Master Plan for Park Facilities and Recreational Services.

FINANCIAL DATA

The purchase price for the subject property is set by an appraisal performed by David Lane, M.A.I. The purchase price, which includes the cost of infrastructure improvements on Grasslands Drive, is \$1,684,000. Estimated closing costs are \$4,000.

November 29, 1989

Funding for the acquisition was included in the 1989 Certificate of Participation. A total of \$1,684,000 from the 1989 Certificate of Participation Fund (Fund 704) will be appropriated to a new CIP account set up for acquisition of the subject real property.

POLICY CONSIDERATIONS

This recommendation is consistent with the South Natomas Community Plan and the City's Master Plan for Park Facilities and Recreational Services.

MBE/WBE EFFORTS

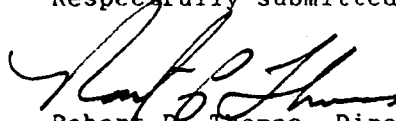

MBE/WBE goals are not applicable.

RECOMMENDATION

It is recommended that the Joint Committee approve this report and refer it to the full City Council for action. Further, it is recommended that the City Council, by resolution:

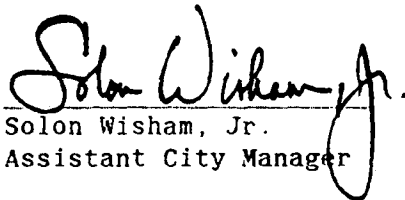

1. Authorize the purchase of an 11.5 acre parcel from Firt Interstate for \$1,684,000, including closing costs.
2. Establish a CIP account for acquisition of an 11.5 acre parcel located at West El Camino and the Main Drain Canal.
3. Appropriate \$1,684,000 from the 1989 Certificate of Participation Fund (Fund 704) to the CIP account to be established for the acquisition of an 11.5 acre parcel located at West El Camino Avenue and the Main Drain Canal.

Respectfully submitted,

Robert P. Thomas, Director
Parks and Community Services

Recommendation Approved:

Solon Wisham, Jr.
Assistant City Manager
