Re: Correction Notice on Permit # 0011236

It is our belief that the actions (lifting cold and partially sealed shingles) needed to correct this notice would do more damage than good. We therefore accept the job as completed with two provisions: 1) Curtis Roofing provide a written 10 year workmanship warranty on the complete job, and 2) The City Building Inspection Division accept this arrangement and clears the correction notice. Curtis Roofing will present this memo to the city for their consideration and the city will notify the homeowner in their usual manner of their decision.

Thank you for your attention to this matter.
