

RESOLUTION NO. 2011-424

Adopted by the Sacramento City Council

NEIGHBORHOOD TRAFFIC MANAGEMENT PROGRAM (S15071100): VILLAGE PARK PROJECT APPROVAL

BACKGROUND

- A. The Neighborhood Traffic Management Program (NTMP) was adopted by City Council in December 1995 and officially began in May 1996.
- B. The Village Park NTMP Project began in July 2010. The project has followed the NTMP guidelines established by Council Resolution. Exhibit A identifies project boundaries.
- C. A traffic calming plan has been designed by residents serving on the Traffic Calming Committee and voted on by neighborhood residents with a 90.5% approval rate. Exhibit B is the ballot.

BASED ON THE FACTS SET FORTH IN THE BACKGROUND, THE CITY COUNCIL RESOLVES AS FOLLOWS:

- Section 1. The Village Park Neighborhood Traffic Management Program Project is approved.
- Section 2. Exhibits A and B are attached and are part of this Resolution.

Do you want traffic calming measures in your neighborhood?

This is your opportunity to vote on the proposed traffic calming plan for your neighborhood. You must vote either yes or no for all measures indicated on this ballot. This advisory vote will determine whether the traffic calming plan will be presented to Sacramento City Council.

Your Vote Counts!

The Traffic Calming Committee, comprised of individuals from your neighborhood, has developed this plan with assistance from Sacramento City staff. All residents and businesses within the project boundary will receive a ballot.

We must receive a minimum of 25% return on the balloting. If a simple majority of ballots returned vote yes, the traffic calming plan will be submitted to Sacramento City Council for review and approval.

What will it cost you?

The Neighborhood Traffic Management Program traffic calming plan implementation is funded through Measure A. There is no cost to residents or homeowners.
