Honorable Members in Session:

**SUBJECT:** Resolution Appropriating Funds for the Extension of a Storm Drain Line Between Harvard and Manning Streets on Silica Avenue

SUMMARY:

On May 4, 1980 the City Council approved funding for the subject project. However, funds were not to be appropriated until a bill for the City's share of the project was received. The City has received a bill for the work performed, therefore, it is now necessary to appropriate \$14,325.00 to the subject project.

FINANCIAL:

Funds are available in the unappropriated Sewer Fund Balance.

RECOMMENDATION:

It is recommended that \$14,325.00 be appropriated from the Sewer Fund Balance to the City Engineer's Budget by passage of the attached resolution.

Respectfully submitted,

R. H. PARKER  
City Engineer
