Dear Martin Ward / Jesse Mancillas,

Your application for participation in the Commercial/Industrial Retrofit Program has been approved for the proposed project for your facility located at 400 Capitol Mall Suite 2525. An estimated rebate in the amount of \$443 has been reserved for you providing you complete the project by Dec. 19, 1997. For specific recommendations, see the attached worksheet.

Prior to project start you are expected to comply with Federal/Local regulations regarding disposal of hazardous wastes (PCB ballasts) and acquisitions of City/County building permits. A copy of this letter is being sent to your contractor as notice to begin coordination of this project.

It is imperative that you contact me in a timely manner if you change the scope or magnitude of the project. Any subsequent changes to rebate amount, balance to be financed, and project cost must be approved by SMUD.

When your retrofit projects are installed, please complete and send me the attached Notice Of Project Completion (Form 10). I will conduct a post inspection and then authorize payment. Unless other arrangements are made, after completion of the projects, the rebate portion will be paid directly to you, the SMUD customer.

In the meantime, if you have any questions, please call me at (916)732-6667.

Sincerely, 

John Brain
