Ordinance titles were published in the Daily Recorder newspaper by the City Clerk on Friday, July 29, 2005.

**Committee/Commission Action:**

On April 28, 2005 the Planning Commission voted six ayes, zero noes, with one abstention, to approve the Lot Line Merger, and to recommend that the City Council approve the Community Plan Amendments and rezones requested as a part of this project.

**Background Information:**

The applicant is seeking a Central City Community Plan Amendment to redesignate 0.22 acres from Multi-family and Office to Neighborhood/Commercial and a rezone of 0.1 acres from Residential Mixed Use (RMX) and 0.12 acres from Office Building (OB) to Limited Commercial (C-1), in order to expand an existing restaurant, and provide two housing units on the site. The applicant also proposes to relocate the existing four-plex located on the north side of the S and T Street alley to the lot on the south side of the alley. This relocation requires a rezone of this parcel from R-3A to R-4. On April 28, the City Planning Commission approved an entitlement for this project to merge three lots into one lot.

**Financial Considerations:** None

**Environmental Considerations:**

The Environmental Services Manager has determined that the project, as proposed, is exempt from environmental review pursuant to CEQA section 15301 (minor alterations to existing facilities)

**Policy Considerations:**

With the amendments proposed, the project will be consistent with the General Plan and Community Plan designations for the site. The project is consistent with the General Plan and Community Plan policies encouraging infill development, revitalization of existing neighborhoods and preservation of historic structures.
