IDEAS AND QUESTIONS, MEMBERS OF THE BOARD

The Board discussed the performances of Batterymarch and Alliance. Mr. Friery suggested that SEI prepare an investment performance comparison between Batterymarch, Alliance, and those managers who were in contention in the manager search when Batterymarch and Alliance were selected.

The Board discussed the criteria used to select an investment manager. Mr. Wolford suggested that a reallocation of funds among the current managers would be more appropriate rather than proceeding with a new manager search.

Mr. Friery requested the Secretary to the Board to prepare a report, for a future meeting, regarding asset allocation by other public retirement systems in California, with emphasis on dying systems, to include percentages allocated to fixed, equity, real estate, cash and miscellaneous assets.

There being no further business, the meeting was adjourned at 2:35 p.m. to meet again at the call of the chair.
