HOUSING AND REDEVELOPMENT  
AGENCY**

April 6, 1987

Redevelopment Agency of the  
City of Sacramento and  
Sacramento City Council  
Sacramento, California

Honorable Members in Session:

**SUBJECT:** Authorization to Purchase Salvation Army Warehouse  
(520 9th Street) from City of Sacramento and Amend  
Appropriate Budgets

**SUMMARY**

The attached Agency and Council resolutions (1) authorize the Executive Director to purchase the Salvation Army Warehouse located at 520 9th Street from the City of Sacramento; (2) amend the Agency's 1987 Capital Improvement Budget to reflect the \$200,000 purchase price; and (3) amend the City's 1987 Community Development Block Grant Budget to reflect program income of \$200,000 less escrows fees and to budget this program income for repayment of the Alkali Flat Motel Acquisition Loan (Section 108).

**BACKGROUND**

In 1982 the Redevelopment Agency of the City of Sacramento was authorized to act as the disposition agent for this city-owned property located in the Alkali Flat Redevelopment Area. (Resolution RA-82-168 adopted March 9, 1982). Please see Exhibit A for parcel identification map and legal description.

On January 20, 1987, the Redevelopment Agency selected the joint venture of Marvin L. Oates and Robert L. Erickson as tentative developers of this property, subject to the successful negotiation of the terms of the Disposition and Development Agreement (DDA). In order to efficiently expedite the terms of the DDA, staff recommends that the Executive Director be authorized to purchase the property from the City of Sacramento.

## **FINANCIAL DATA**

The City of Sacramento had established a minimum purchase price of \$200,000 for the warehouse site in the advertised Request for Proposal. This price was based on an MAI appraisal prepared for the subject site on April 10, 1985. The developer's proposal included a minimum bid of \$200,000. The property was originally purchased with 1978/79 Community Development Block Grant (CDBG) funds. Federal regulations require that proceeds from the sale of land originally purchased with CDBG funds be either returned to HUD or included in the local CDBG program for CDBG eligible uses. Staff recommends accepting these funds as program income to the CDBG program, and allocating the funds to the Alkali Flat Section 108 Loan funds. As you may recall, in 1985, the City Council approved a Section 108 loan against the CDBG program to purchase two blighted motels on 12th Street. These funds would be used to help retire the debt on those loans.

Resolutions have been attached which reflect amendments to the Agency's 1987 Capital Improvement Budget and the City's 1987 Community Development Block Grant Budget.

## **ENVIRONMENTAL REVIEW**

Transfer of title is an exempt activity.

## **POLICY IMPLICATIONS**

The recommended resolution is consistent with previously approved policy and no new policies are recommended.
