FILED
CITY COUNCIL

FEB 9 1967

Gentlemen:

ELMER C. CLEVELAND
CITY CLERK

At the suggestion of the City Planning Office, I write you for consideration of change of street name.

Due to recent change of mailing addresses from Route and Box number to street numbers, considerable confusion and delay has resulted in the delivery of mail.

My address at present is 3480 Orchard Lane, Sacramento 95834. Unfortunately, there is another Orchard Lane near the Del Paso Country Club in the north area. Due to this, there is considerable error and confusion in mail delivery.

My residence is on Orchard Lane north of the San Juan Road. This part of the street, now known as Orchard Lane, runs from the San Juan Road north to El Centro alongside of the West Drainage Canal. I request that this section of road be renamed to "West Canal Road," or any other name you might find appropriate. This section of road has only one residence beside mine.

It is possible you may wish to change the name of the balance of Orchard Lane to some other name in order to avoid confusion. However, this is no concern of mine.

Orchard Lane from the Garden Hiway to San Juan is not in the city. The section of Orchard Lane north of San Juan is in the city. Our Zip Code number is 95834. I believe Orchard Lane from Garden Hiway north to San Juan is 95833.

Your favorable consideration of the above request will be deeply appreciated.
