Organization No: 3281

Description/Analysis:

Issue: This report recommends awarding a construction contract for the Oak Park Community Center – Phase II Project. This project was included in the 2006 Community Reinvestment Capital Improvement Program (CRCIP). The formal bid process was completed on February 27, 2008, and John F. Otto was selected as the lowest responsible bidder. The project will provide a multipurpose gymnasium, performance platform, rest rooms, office, storage, and two outdoor basketball courts for the community. The facility will be located adjacent to the existing Oak Park Community Center.

Policy Considerations: This project is included in the 2006 CRCIP approved by City Council on February 7, 2006. Award of the construction contract is consistent with the directives and guidelines of the CRCIP. The recommendations in the report are consistent with the provisions of City Code Chapter 3.60.

Committee/Commission Action: Not applicable

Environmental Considerations: This report recommends awarding a construction contract for a previously approved project. This recommendation involves a continuing administrative activity and is not a 'project' in accordance with Section 15378 (b) (2) of the California Environmental Quality Act Guidelines. The proposal, therefore, as determined by the City's Environmental Services Planning Manager, no environmental review is necessary.

Rationale for Recommendation: On January 28, 2008, the Department of General Services issued Invitation for Bid (IFB) No. B083282015 for a construction contract for the Oak Park Community Center – Phase II Project. Thirteen bids were received. John F. Otto was selected as the lowest responsive and responsible bidder. Staff's estimated construction cost was \$3.6 million. Work is anticipated to begin on site during April 2008 and expected to be substantially completed in February 2009.

The results of IFB No. B083282015 are listed in the table below.

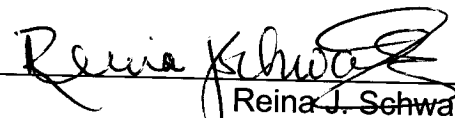

Company Name	Contract Amount	ESBE %
Cornerstone*	\$52,630	None
John F. Otto	\$2,444,222	25.9%
C & C Construction	\$2,490,650	32.7%
L. M. Combs	\$2,596,052	71.0%
Waters Contracting	\$2,598,550	31.0%
American River Construction	\$2,664,000	57.1%
SW Allen	\$2,712,578	22.3%
Meadows Construction	\$2,732,430	None
Panattoni	\$2,741,231	16.3%
BRCO Constructors	\$2,759,000	20.5%
McCarthy Construction	\$2,797,400	20.3%
Refnes Construction	\$2,799,750	49.8%
Applegate Johnston	\$3,224,344	15.2%

* Cornerstone is a subcontractor. Additionally, the appropriate bid forms were not completed.

Financial Considerations: Sufficient funding is available in the Oak Park Community Center – Phase II Project (KB29, L13000100) to execute a contract with John F. Otto in the amount of \$2,444,222 for construction of the new facility.

Emerging Small Business Development (ESBD): John F. Otto has an emerging/small business enterprise percentage total of 25.9% for the Oak Park Community Center - Phase II Project.
