SUBJECT: Update Concerning Campaign Finance Ordinance

SUMMARY

At the February 1990 meeting of the Law and Legislation Committee, Councilmember Serna requested an update on the status of the proposed campaign finance ordinance.

BACKGROUND

On April 20, 1989, the Law and Legislation Committee referred consideration of a campaign finance ordinance to an ad hoc committee for further consideration. This ad hoc committee consists of Mayor Rudin and Councilmember Mueller as well as certain knowledgeable and interested members of the community. The Committee has met on two occasions to consider the proposed campaign finance ordinance, with substantial revisions being made after each meeting. A third meeting of the committee will be held later this month. It is anticipated that this will be the final meeting of the Ad Hoc Committee, and that ordinance will be presented to the Law and Legislation Committee for consideration either in April or May.
