Re: Missing Post Base: Plan 3527 - North Pointe @ Natomas Subdivision
O'Connor Freeman Job Number: E001001

Brian:

Our office was contacted by Chris Wylly of the Natomas Park project about a post base that was missed on plan 3527. The mentioned post base is at the front garage wing wall between the 2-car and 1-car garage door and a replacement base was requested. We have reviewed this situation and have determined that the CB88 post base called out on the plans may be replaced with an ABU88 post base.

If you should have any further questions or comments please do not hesitate to call.

Sincerely,

O'Connor Freeman & Associates, Inc.
