Attachment 01 – Description/Analysis

Issue: California State Government Code (8164.1(a)) requires the City of Sacramento to submit, to the Governor, a list of three candidates for consideration for an appointment of a four year term to the Capitol Area Committee.

Policy Considerations: None

Economic Impacts: None

Environmental Considerations: None

Sustainability: None

Commission/Committee Action: None

Rationale for Recommendation: To ensure the city is in compliance with state statute, by providing two additional candidates for consideration by the Governor. On November 21, 2013 the City transmitted one nominee to the Governor's Office. Pursuant to Government Code, the City was asked to provide two additional nominees for consideration. The second application period has closed and the Personnel and Public Employees Committee is conducting interviews of all applications. Therefore, the recommendation is to conduct interviews and continue the item to the next meeting for discussion and nominations.

Financial Considerations: None

Emerging Small Business Development (ESBD): None

Attachment 02 – Background

CAPITOL AREA COMMITTEE

AUTHORITY:

The Capitol Area Committee was formed in 1977 to advise the director of the Department of General Services (DGS) about issues affecting the Capitol Area Plan per Government Code (GC) sections 8164.1–8164.3. In September 2010, Assembly Bill 2130 (Huber) (Chapter [Ch.] 670, Statutes [Stats.] of 2010) was signed, amending GC section 8164 and establishing a sunset date of January 1, 2013, for the Capitol Area Committee, subject to review by the Joint Sunset Review Committee (JSRC). After review to determine if the Capitol Area Committee should be terminated, continued, or its functions revised or consolidated, the JSRC concluded the committee provides an important forum for the exchange of ideas between the public and the DGS, and recommended placing a 15 year sunset date on the committee, scheduling its next review in January 2028. The JSRC also recommended the committee develop and maintain a website, and that the statutory quarterly meeting requirement be replaced with an annual meeting requirement. Assembly Bill 2445 (Dickinson) (Ch. 547, Stats. of 2012), which included the JSRC's recommendations including a January 2028 sunset date for the committee, was ultimately amended to reflect a January 1, 2018, sunset date and was signed in September 2012.

MEMBERSHIP:

The Committee consists of nine members appointed as follows:

- A. Four members are appointed by the governor, of which at least one is appointed from a list of three candidates submitted by the city of Sacramento, and at least one is appointed from a list of three candidates submitted by the county of Sacramento (four-year terms).
- B. Two members are appointed by the Speaker of the Assembly (one of whom may be a member of the Assembly), and two members are appointed by the Senate Rules Committee (one of whom may be a member of the Senate) (four-year terms).
- C. One member is appointed by the director of the DGS (term is at the pleasure of the director).

The chairperson is elected by the committee members.

MEETINGS:

Meetings are open to the public and are held on an annual basis, upon the call of the chairperson, or upon the written request of any three members. Meetings are normally held at the Capitol Area Development Authority Headquarters, 1522 14th Street, First Floor Boardroom, Sacramento, California. Members are always notified of meeting changes and cancellations.

ORGANIZATIONAL FUNCTIONS AND RESPONSIBILITIES:

The Capitol Area Plan was established for the orderly development of the state's facilities in the metropolitan area of Sacramento. It serves as the master plan for development of state-owned land within the Capitol Area. The DGS is assigned responsibility for carrying out development within the Plan Area in accordance with the Capitol Area Plan.

It is the purpose of the committee to independently review DGS' reports to the Legislature and to counsel and advise the DGS in the carrying out of its responsibilities related to the Capitol Area Plan. The committee may submit separate comments on DGS' reports on the Capitol Area Plan to the Legislature. The committee involves a broad cross-section of interested citizens in the form of an advisory body. The advisory body serves without compensation.

CONTACT INFORMATION:

Within the DGS, the main point of contact for the committee is the Real Estate Services Division, Asset Management Branch.

Staff contact is Liz Ames, Regional Portfolio Manager, DGS, 707 Third Street, Sixth Floor, West Sacramento, CA 95605. Her contact numbers are (916) 376-1831 or fax (916) 376-1833.

I am interested in becoming a member of the Capitol Area Committee because of my professional experience and continual investigations into the topics of architecture, urban design, and housing in relation to the City of Sacramento. The Capitol Area Plan has a direct impact on my experience of the city as a resident and practicing architect within the City of Sacramento, but more importantly, I would like the opportunity to positively influence the Capitol Area Plan for all community members and visitors. As a project architect, I have experience in projects that are complex, sustainable, and possess high aesthetic and design qualities. My project experience includes various project types including corporate/office and multi-family/mixed-use residential.

Additional Qualifications

Please provide any additional experience, community activities or other qualifications that would be helpful in evaluating your application.

My project experience includes the design and permit documents for the Capitol Area Development Authority East End Gateway Sites 2 & 3. These two buildings have transformed 16th Street, continued the urban streetscape and density of 16th Street and have begun to provide much needed urban housing and commercial / retail opportunities.

In 2012 I was appointed to be one of three members of the Sacramento County Design Review Advisory Committee. The committee's responsibility is to review discretionary projects within the county and make recommendations of conformance with the county design guidelines. My involvement has provided the opportunity to meet with county representatives, local property owners and developers to be a

representative and design advocate for a higher quality of architecture and urban design within the greater Sacramento area.

Additional project experience includes the new Sacramento Municipal Utility District's – East Campus Operation Center located in Sacramento County. Located on a 51 acre site the project consists of 350,000sf across multiple buildings, including a six-story office building. The project has received LEED Platinum certification and is slated to become the nation's largest net-zero and most sustainable fleet operations campus.

Since 2010 I have served and provided architectural expertise on the Master Planning Committee for Daybreak Camp in Santa Cruz County. My involvement has allowed for an architectural representative to positively influence an organization's decisions that otherwise would not have included a design professional at the beginning stages of a master planning effort.

In the span of a five-year, professional architecture degree program at the University of Southern California, I participated in the Italy Study Abroad Program – including educational studios through the Universita di Roma and the Politecnico di Milano. I was a Finalist in the 2004 United States Green Building Council's Design Competition, the recipient of the 2002 Avi Efraim Gesundheit Traveling Fellowship, and received Honorable Mention for the 2002 AIA Monterey Housing Design Competition.

I have lived at 13th & R Street, before the installation of the light rail tracks. I have lived at 20th & H Street, shortly after moving back to Sacramento. I have worked on construction drawings for the Sacramento Convention Center, within the Plaza Park (Cesar Chavez Park) Tower, Federal Building at 8th & I Street, the East End projects, and at many other projects within the Capital Area Plan area and within the Greater Sacramento Area. Sacramento is poised to begin another cycle of growth and the Department of General Services (DGS) will have to respond to that growth. I want to use my architectural background & experience to to advise DGS on the State's projects within the Capital Area Plan. I will put my public works background and commercial development experience to work for the citizens of Sacramento.

From(mm/yy) - To(mm/yy): 04/08 - Current Employer: Steven P. Johnson, Architect
Address:

Job Duties: Architect/Principal - In April 2008 I chose to go into private practice and decided to share an office space with another licensed architect from the Placerville area. On a number of occasions, we would collaborate on the work as "Wolfe + Johnson Architects". At times when workload or other project conditions wouldn't allow, I proceeded with the projects on my own. The scope of architectural work for most of the projects during this period has encompassed commercial design and project management. The most challenging projects to date has been the Progress House Drug Treatment & Rehabilitation Center and the Marshall Hospital Sterilizer Replacement projects. The scope of services has taken the project from schematic design, through bidding and construction administration.

From(mm/yy) - To(mm/yy): 08/11 - 09/11 Employer: Stafford King Wiese Architects
Address:

Job Duties: Job Captain/Architect – In early August 2011, SKW Architects contacted me about a temporary position with the firm. The work was on educational project within the Sacramento area. The projects had extremely tight schedules and they needed a person with AutoCAD experience. Having worked for SKW in the early 1990's and with an extensive AutoCAD experience, I jumped at the opportunity. In collaboration with the design team, I created the design concepts and conceptual drawings for the rehabilitation/remodel of the Leroy Greene Academy. I also set up the construction drawings for two agricultural barns for Rio Linda High School.

From(mm/yy) - To(mm/yy): 05/02 - 04/08 Employer: El Dorado County - General Services Dept.
Address:

Job Duties: Architectural Project Manager - At the County of El Dorado I have been responsible for the creation of Request For Proposals (RFP's), the negotiation of consultant and construction contracts, the creation of construction documents, for the organization of construction bid procedures and for the administration of construction projects. My primary emphasis during the previous several years has been the construction of the new Juvenile Detention Facility in South Lake Tahoe, California. This project has been a new, interesting experience for me due to the state and federal grant guidelines that must be followed to properly administer the construction funds for this project.

From(mm/yy) - To(mm/yy): 05/98 - 05/02 Employer: Dreyfuss & Blackford Architects

Address:

Senior Architect - At Dreyfuss & Blackford Architects, I used AutoCAD to create construction drawings for our projects. I have produced fee proposals, managed & completed construction documents and proceeded through the bid phase of work. My primary areas of responsibility have been the UC Davis Medical Center; Kaiser projects in Sacramento and San Rafael and the Meadowview City Services Complex in Sacramento.

Additional Qualifications

Please provide any additional experience, community activities or other qualifications that would be helpful in evaluating your application.

From 2010 to 2012 I served as the At-Large Member to El Dorado County's Building Industry Advisory Committee. The committee advised the Board of Supervisors on issues effecting the building and construction community.

During 2009-2010 I was a citizen member on the Bond Advisory Committee for the Gold Oak Union School District. We advised the District on the use of bond fund expenditures for facilities improvements.

From 1995 to 2001 I was a member of Active 20-30 United States & Canada and served on the National Board as the Regional Director for Region #2 (Northern California & Nevada). This charitable service organization worked to help special needs children in our community. The motto was "A person never stands so tall as when kneeling to help a child".

My long history of service to the communities that I have lived in goes to prove my commitment to the communities that I have lived in during my adult life.
