SUBJECT: GRANT MODIFICATION - GANG VIOLENCE SUPPRESSION PROGRAM

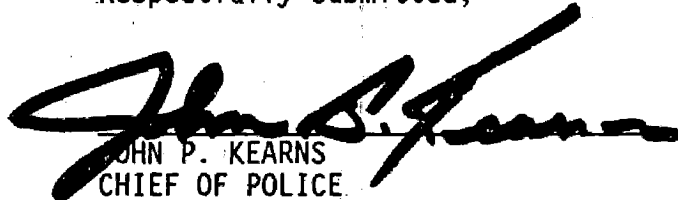

SUMMARY

The Sacramento Police Department is requesting approval to apply for a \$68,240 augmentation and a one (1) year extension of the second year of the Gang Violence Suppression Grant. This extension will not affect third year funding of the grant and will be 100% funded by OCJP. No cash match by the City of Sacramento is required. The augmentation would fund one (1) Police Officer who will develop a community crime prevention mobilization program to educate the citizens of Sacramento to take a proactive approach toward crime prevention.

It is recommended that the grant extension be approved, the Police Department budget be augmented by \$68,240 and the authorized personnel of the Police Department be increased by 1 FTE for a Police Officer position.

BACKGROUND

In July, 1986, the Sacramento Police Department received grant funds in the amount of \$115,000 from the Office of Criminal Justice Planning (OCJP) to implement a Gang Violence Suppression Program. The first year funding for the grant was for the period from July 1, 1986 until June 30, 1987.

The Sacramento Police Department received second year funding in the amount of \$110,000 from OCJP for the Period July 1, 1987, to June 30, 1988. Second year funding has expanded the Gang Violence Suppression Program to include a gang prevention component which is providing preventive measures to discourage "at-risk" youths from becoming involved in gang activities.

The Sacramento Police Department is now requesting approval to apply for an augmentation of \$68,240 and extension of the second year of the Gang Violence Suppression Grant to June 30, 1989. The \$68,240 would be funded 100% by OCJP with no cash match required.

The grant augmentation will fund one (1) Police Officer who will develop a community crime prevention mobilization program. This program will establish contact with churches, homeowners' associations, apartment associations, neighborhood associations, and other community groups within the City of Sacramento. The major component of this program will be to educate citizens to take a proactive approach toward crime prevention. A minimum of 75 crime prevention presentations on gang and substance abuse awareness, with an emphasis on recognizing and reporting criminal activity, will be made. The officer will also provide follow-up services and act as a liaison between the groups and the Police Department.

The augmentation and extension of the second year of the grant will not effect third year funding of the Gang Violence Suppression Grant. The third year will run concurrently with the second year extension and continue funding one (1) Police Officer, one (1) Gang Prevention Specialist and one (1) .5 FTE Police Clerk I/II.

FINANCIAL DATA

The total operating budget for the augmentation and extension of the second year grant is \$68,240. This amount is funded 100% by OCJP with no cash match required. The operating budget for the 88/89 fiscal year is itemized as follows:

	TOTAL COST

Salaries	\$39,737
Benefits	20,180
